**Orthodontic treatment included in the above listed fees:**

- Treatment plan and records, including initial interium and final records.
- Limited orthodontic treatment, including fabrication and insertion of any and all fixed appliances and periodic visits.
- Interceptive orthodontic treatment, including fabrication and insertion of any and all fixed appliances and periodic visits.
- Comprehensive orthodontic treatment, including fabrication and insertion of any and all fixed appliances and periodic visits.
- Orthodontic retention, including any and all necessary fixed and removable initial appliances and related visits.
- Orthodontic treatment beyond twenty-four (24) months but not exceeds thirty-six (36) months. If orthodontic treatment exceeds thirty-six (36)months, no additional fees can be charged.
- If a member has orthodontic treatment associated with orthognathic surgery (a non-covered procedure involving the surgical moving of teeth), the plan provides its standard orthodontic benefit. The member will be responsible for additional charges related to the orthognathic surgery and the complexity of the orthodontic treatment. The additional charge will be based on the participating orthodontic specialist dentist's reasonable and customary fees.
- If a covered member transfers from a non-participating orthodontist to a participating orthodontist after orthodontic treatment has begun, the new participating orthodontist should submit a pro-rated amount for the remaining treatment based upon the participating orthodontist's contracted fee.
- If a covered member transfers from a participating orthodontist to another participating orthodontist after orthodontic treatment has begun, the new participating orthodontist should submit a pro-rated amount for the remaining treatment based upon the new participating orthodontist's contracted fee.

**Orthodontic treatment not included in the above listed fees:**

- Any incremental charges for orthodontic appliances made with clear, ceramic, white, lingual brackets or other optional material.
- Procedures, appliances or devices to guide minor tooth movement or to correct harmful habits (may be covered under the member's standard dental plan).
- Re-treatment of orthodontic cases, or changes in orthodontic treatment necessitated by any kind of accident.
- Extractions performed solely to facilitate orthodontic treatment (may be covered under the member's standard dental plan).
- Orthognathic surgery (moving of teeth by surgical means) and associated incremental charges.
- If orthodontic treatment begins before the member is eligilbe for orthodontic benefits under this plan by a participating orthodontist, the member will be responsible for the orthodontist's fees as originally agreed upon. Plan benefits may be considered up to the member's orthodontic lifetime maximum.
- Replacement of lost or broken retainers. \*
