PlanSource Benefits Administration

Benefits Administration Simplified

PlanSource provides affordable employee benefits administration through one easy, accurate, state-of-the-art platform.

Our technology manages your entire portfolio of benefits. Employee enrollment, administration, and premium billing are all handled online through a single site. No more paper forms, confusing rules or multiple web sites.

The Advantages of Using PlanSource:

- Your employees enroll and maintain their benefits online, which saves time and money and frees you up to focus on more strategic human resource issues.
- You'll only need to provide employee information once, which eliminates the needs for multiple entries into multiple systems.
- Reduce the need for constant oversight and intervention with employee enrollments and changes, which are accurately managed by the system.
- Enrollment eligibility is transferred electronically to carriers and other vendors.
- The self-billing feature ensures reconciliation and remittance is even easier and more accurate.
