

Your Kaiser Permanente alternative care benefit

If your Kaiser Permanente plan includes the alternative care benefit, your per visit charge and annual benefit maximum are shown on your summary of benefits. The benefit covers visits for chiropractic care, acupuncture, naturopathic care, and massage therapy. The amount you pay for visits to other alternative care providers varies by type of service received.

You may choose from among more than 300 alternative care providers located throughout the Kaiser Permanente service area. You don't need a referral from Kaiser Permanente to get care. When you need alternative care, just choose a provider from the list provided here and call for an appointment.

Pay your provider directly. If the provider orders X-rays, you pay the same charges you'd pay at a Kaiser Permanente facility.

Limitations and exclusions

Some services are not covered even if ordered by the provider. Exclusions and limitations apply even if your plan covers the service when it is ordered by a Kaiser Permanente physician.

These are the major limitations and exclusions of the alternative care benefit. For more information, see your benefit materials or contact Membership Services.

Limitations

Alternative care coverage is limited to the annual benefit maximum shown on your summary of benefits. You pay 100 percent of charges after you reach this limit. In addition, your coverage includes a special limit on massage therapy. You are covered for no more than 12 visits each year. The value of massage therapy visits also counts toward the overall alternative care benefit maximum.

Exclusions

The following are not covered:

- Care or service from a provider who is not part of the network of participating providers.
- Cosmetic, herbal, and dietary supplements and drugs.
- Devices, appliances, prosthetics, durable medical equipment, and supplies.
- Educational programs and non-medical self-care that are beyond the normal scope of treatment.
- Health and beauty classes, aids, and equipment.
- Intradermal needles and disposable needles that are not approved by the Food and Drug Administration.
- Lab tests.
- Physical exams, vocational rehabilitation, and care for work-related injury and illness.
- Preventive care (except for massage therapy).

- Proctology and obstetrics/gynecology care and minor surgery (except when provided by a participating naturopath).
- Thermography, hair analysis, and heavy metal and mineral screenings.

Membership Services

If you have questions or need help, call Membership Services. We're available by telephone 8 a.m. to 6 p.m., Monday through Friday. You may also sign on to kaiserpermanente.org and send us an e-mail.

Participating alternative care providers

To be covered by your Kaiser Permanente benefit, you must get care from a provider who is located in our service area and part of a Complementary Healthcare Plan network.

This list includes all participating alternative care providers as of April 2006 and is subject to change. When you call for an appointment, confirm your provider's participation before you get care.
