

CONEXIS ELITE BENEFIT CARD

Quick and Easy. The Way Flexible Spending Accounts Should Be.

The CONEXIS Elite Visa® Benefit Card gives your employees instant access to the funds in their health FSA. Employees can use their card to pay for eligible expenses at the point of sale, including prescriptions; office visits to physicians, dentists, and vision service providers; and eligible over-the-counter drugs and items.

The CONEXIS Elite Benefit Card can be used to pay for eligible expenses at providers and merchants who accept Visa and have a health care related merchant category code or utilize an Inventory Information Approval System (IIAS). A list of IIAS merchants is available online at www.conexis.com/IIASvendors.

The Easier, Quicker, More Secure Way to Pay

With the CONEXIS Elite Benefit Card, your employees can pay for eligible expenses using the funds in their health FSA. There's no need to pay out of pocket. There are no claim forms to submit. And best of all, there's no waiting for a reimbursement check.

Offering the CONEXIS Elite Benefit Card makes participating in your health FSA easier and more convenient - and that increases participation. Increased participation equals increased contributions, and that equals greater savings for you.
