## Accident and Health Claims Provisions

Your right to make a claim for any *accident and health* benefits provided by this *plan*, is governed as follows:

**Notice** You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number. If the claim is being made for one of your *covered dependents*, his or her name should also be noted.

**Proof of Loss** We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

If this plan provides weekly loss-of-time insurance, you must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, you must send us written proof of loss within 90 days of the date we request it. For any other loss, you must send us written proof within 90 days of the loss.

**Late Notice of Proof** We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

**Payment of Benefits** We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided you submit periodic written proof of loss as stated above. We'll pay all other *accident and health* benefits to which you're entitled as soon as we receive written proof of loss.

We pay all *accident and health* benefits to you, if you're living. If you're not living, we have the right to pay all *accident and health* benefits, except dismemberment benefits, to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services. See "Your Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When you file proof of loss, you may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell you that a particular provider must provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

## Accident and Health Claims Provisions (Cont.)

---

**Limitations of Actions** You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after three years from the date you file proof of loss.

## **Coordination Between Continuation Sections**

---

A covered person may be eligible to continue his group health benefits under this plan's "Federal Continuation Rights" section and under other continuation sections of this plan at the same time. If he chooses to continue his group health benefits under more than one section, the continuations: (a) start at the same time; (b) run concurrently; and (c) end independently, on their own terms.

A covered person covered under more than one of this plan's continuation sections: (a) will not be entitled to duplicate benefits; and (b) will not be subject to the premium requirements of more than one section at the same time.

CGP-3-R-COC-87

B240.0044

## **An Important Notice About Continuation Rights**

---

The following "Federal Continuation Rights" section may not apply to the employer's plan. The employee must contact his employer to find out if: (a) the employer is subject to the "Federal Continuation Rights" section, and therefore; (b) the section applies to the employee.

CGP-3-R-NCC-87

B240.0064

## YOUR CONTINUATION RIGHTS

---

---

### Federal Continuation Rights

---

**Important Notice** This section applies only to any dental, out-of-network point-of-service medical, major medical, prescription drug or vision coverages which are part of this plan. In this section, these coverages are referred to as "group health benefits."

This section does not apply to any coverages which apply to loss of life, or to loss of income due to disability. These coverages can not be continued under this section.

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this plan as: (a) an active, covered employee; (b) the spouse of an active covered employee; or (c) the dependent child of an active, covered employee. A child born to, or adopted by, the covered employee during a continuation period is also a qualified continuee. Any other person who becomes covered under this plan during a continuation provided by this section is not a qualified continuee.

**Conversion** Continuing the group health benefits does not stop a qualified continuee from converting some of these benefits when continuation ends. But, conversion will be based on any applicable conversion privilege provisions of this plan in force at the time the continuation ends.

**If Your Group Health Benefits End** If your group health benefits end due to your termination of employment or reduction of work hours, you may elect to continue such benefits for up to 18 months, if you were not terminated due to gross misconduct.

The continuation: (a) may cover you or any other qualified continuee; and (b) is subject to "When Continuation Ends".

**Extra Continuation for Disabled Qualified Continuees** If a qualified continuee is determined to be disabled under Title II or Title XVI of the Social Security Act on or during the first 60 days after the date his or her group health benefits would otherwise end due to your termination of employment or reduction of work hours, and such disability lasts at least until the end of the 18 month period of continuation coverage, he or she or any member of that person's family who is a qualified continuee may elect to extend his or her 18 month continuation period explained above for up to an extra 11 months.

To elect the extra 11 months of continuation, a qualified continuee must give your employer written proof of Social Security's determination of the disabled qualified continuee's disability as described in "The Qualified Continuee's Responsibilities". If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify your employer within 30 days of such determination, and continuation will end, as explained in "When Continuation Ends."

This extra 11 month continuation is subject to "When Continuation Ends".

## Federal Continuation Rights (Cont.)

---

An additional 50% of the total premium charge also may be required from all qualified continuees who are members of the disabled qualified continuee's family by your employer during this extra 11 month continuation period, provided the disabled qualified continuee has extended coverage.

CGP-3-R-COBRA-96-1

B235.0164

**If You Die While Insured** If you die while insured, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

CGP-3-R-COBRA-96-2

B235.0075

**If Your Marriage Ends** If your marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

**If a Dependent Child Loses Eligibility** If a dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this plan, other than your coverage ending, he or she may elect to continue such benefits. However, such dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to "When Continuation Ends".

**Concurrent Continuations** If a dependent elects to continue his or her group health benefits due to your termination of employment or reduction of work hours, the dependent may elect to extend his or her 18 month or 29 month continuation period to up to 36 months, if during the 18 month or 29 month continuation period, the dependent becomes eligible for 36 months of continuation due to any of the reasons stated above.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

**Special Medicare Rule** If you become entitled to Medicare before a termination of employment or reduction of work hours, a special rule applies for a dependent. The continuation period for a dependent, after your later termination of employment or reduction of work hours, will be the longer of: (a) 18 months (29 months if there is a disability extension) from your termination of employment or reduction of work hours; or (b) 36 months from the date of your earlier entitlement to Medicare. If Medicare entitlement occurs more than 18 months before termination of employment or reduction of work hours, this special Medicare rule does not apply.

**The Qualified Continuee's Responsibilities** A person eligible for continuation under this section must notify your employer, in writing, of: (a) your legal divorce or legal separation from your spouse; (b) the loss of dependent eligibility, as defined in this plan, of an insured dependent child; (c) a second event that would qualify a person for continuation coverage after a qualified continuee has become entitled to continuation with a maximum of 18 or 29 months; (d) a determination by the Social Security Administration that a qualified continuee entitled to receive continuation with a maximum of 18 months has become disabled during the first 60 days of such continuation; and (e) a determination by the Social Security Administration that a qualified continuee is no longer disabled.

## Federal Continuation Rights (Cont.)

---

Notice of an event that would qualify a person for continuation under this section must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date on which an event that would qualify a person for continuation under this section occurs; (b) the date on which the qualified continuee loses (or would lose) coverage under this plan as a result of the event; or (c) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice.

Notice of a disability determination must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date of the Social Security Administration determination; (b) the date of the event that would qualify a person for continuation; (c) the date the qualified continuee loses or would lose coverage; or (d) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice. But such notice must be given before the end of the first 18 months of continuation coverage.

CGP-3-R-COBRA-96-3

B235.0178

### **Your Employer's Responsibilities**

A qualified continuee must be notified, in writing, of: (a) his or her right to continue this plan's group health benefits; (b) the premium he or she must pay to continue such benefits; and (c) the times and manner in which such payments must be made.

Your employer must give notice of the following qualifying events to the plan administrator within 30 days of the event: (a) your death; (b) termination of employment (other than for gross misconduct) or reduction in hours of employment; (c) Medicare entitlement; or (d) if you are a retired employee, a bankruptcy proceeding under Title 11 of the United States Code with respect to the employer. Upon receipt of notice of a qualifying event from your employer or from a qualified continuee, the plan administrator must notify a qualified continuee of the right to continue this plan's group health benefits no later than 14 days after receipt of notice.

If your employer is also the plan administrator, in the case of a qualifying event for which an employer must give notice to a plan administrator, your employer must provide notice to a qualified continuee of the right to continue this plan's group health benefits within 44 days of the qualifying event.

If your employer determines that an individual is not eligible for continued group health benefits under this plan, they must notify the individual with an explanation of why such coverage is not available. This notice must be provided within the time frame described above.

If a qualified continuee's continued group health benefits under this plan are cancelled prior to the maximum continuation period, your employer must notify the qualified continuee as soon as practical following determination that the continued group health benefits shall terminate.

### **Your Employer's Liability**

Your employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, us, if: (a) he or she fails to remit a qualified continuee's timely premium payment to us on time, thereby causing the qualified continuee's continued group health benefits to end; or (b) he or she fails to notify the qualified continuee of his or her continuation rights, as described above.

## Federal Continuation Rights (Cont.)

---

**Election of Continuation** To continue his or her group health benefits, the qualified continuee must give your employer written notice that he or she elects to continue. This must be done by the later of: (a) 60 days from the date a qualified continuee receives notice of his or her continuation rights from your employer as described above; or (b) the date coverage would otherwise end. And the qualified continuee must pay his or her first premium in a timely manner.

The subsequent premiums must be paid to your employer, by the qualified continuee, in advance, at the times and in the manner specified by your employer. No further notice of when premiums are due will be given.

The premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under the group plan on a regular basis. It includes any amount that would have been paid by your employer. Except as explained in "Extra Continuation for Disabled Qualified Continuees", an additional charge of two percent of the total premium charge may also be required by your employer.

If the qualified continuee fails to give your employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

**Grace in Payment of Premiums** A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified due date. If timely payment is made to the plan in an amount that is not significantly less than the amount the plan requires to be paid for the period of coverage, then the amount paid is deemed to satisfy the requirement for the premium that must be paid; unless your employer notifies the qualified continuee of the amount of the deficiency and grants an additional 30 days for payment of the deficiency to be made. Payment is calculated to be made on the date on which it is sent to your employer.

**When Continuation Ends** A qualified continuee's continued group health benefits end on the first of the following:

- (1) with respect to continuation upon your termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
- (2) with respect to a qualified continuee who has an additional 11 months of continuation due to disability, the earlier of: (a) the end of the 29 month period which starts on the date the group health benefits would otherwise end; or (b) the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that the disabled qualified continuee is no longer disabled under Title II or Title XVI of the Social Security Act;
- (3) with respect to continuation upon your death, your legal divorce, or legal separation, or the end of an insured dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
- (4) the date the employer ceases to provide any group health plan to any employee;

## Federal Continuation Rights (Cont.)

---

- (5) the end of the period for which the last premium payment is made;
- (6) the date, after the date of election, he or she becomes covered under any other group health plan which does not contain any pre-existing condition exclusion or limitation affecting him or her; or
- (7) the date, after the date of election, he or she becomes entitled to Medicare.

## Uniformed Services Continuation Rights

---

If you enter or return from military service, you may have special rights under this *plan* as a result of the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA").

If your group health benefits under this *plan* would otherwise end because you enter into active military service, this *plan* will allow you, or your dependents, to continue such coverage in accord with the provisions of USERRA. As used here, "group health benefits" means any dental, out-of-network point-of service medical, major medical, prescription drug or vision coverages which are part of this *plan*.

Coverage under this plan may be continued while you are in the military for up to a maximum period of 24 months beginning on the date of absence from work. Continued coverage will end if you fail to return to work in a timely manner after military service ends as provided under USERRA. You should contact your employer for details about this continuation provision including required premium payments.

### Employee Coverage

---

**Eligible Employees** To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

**Other Conditions** You must:

- (a) be legally working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 30 hours per week), at:
  - (i) your *employer's* place of business;
  - (ii) some place where your *employer's* business requires you to travel; or
  - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. The Life Schedule explains if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

CGP-3-EC-90-1.0

B264.2292

**When Your Coverage Starts** Employee benefits that don't require *proof* that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

Employee benefits that require such *proof* won't start until you send us the *proof* and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

## Employee Coverage (Cont.)

---

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your occupation on any date part of your insurance is scheduled to start, we will postpone that part of your coverage until the date you are so capable and are working your regular number of hours.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

### **Delayed Effective Date For Employee Optional Life Coverage**

With respect to this *plan's* employee optional group term life insurance, if an *employee* is not actively at work on a *full-time* basis on the date his or her coverage is scheduled to start, due to *sickness* or *injury*, we'll postpone coverage for an otherwise covered loss due to that condition. We'll postpone such coverage until he or she completes 10 consecutive days of active *full-time* service without missing a work day due to the same condition.

Coverage for an otherwise covered loss due to all other conditions will start on the date the *employee* returns to active *full-time* service.

CGP-3-DEF-97

B270.0384

### **When Your Coverage Ends**

Your coverage ends on the date your active *full-time* service ends for any reason. Such reasons include disability, death, retirement, layoff, leave of absence and the end of employment.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you are no longer working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue certain group benefits for a limited time. And you may have the right to replace certain group benefits with converted policies.

### Your Right To Continue Group Life Insurance During A Family Leave Of Absence

---

**Important Notice** This section may not apply. You must contact your *employer* to find out if your *employer* must allow for a leave of absence under federal law. In that case the section applies.

**Continuation of Coverage** Life and Accidental Death and Dismemberment insurance may be continued at your employer's option. You must contact your employer to find out if you may continue this insurance.

**If Your Group Coverage Would End** Group insurance may normally end for an *employee* because he or she ceases work due to an approved leave of absence. But, the *employee* may continue his or her group insurance if the leave of absence has been granted: (a) to allow the *employee* to care for a seriously injured or ill spouse, child, or parent; (b) after the birth or adoption of a child; (c) due to the *employee's* own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the *employee* is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The *employee* will be required to pay the same share of the premium as he or she paid before the leave of absence.

**When Continuation Ends** Insurance may continue until the earliest of the following:

- The date you return to active work.
- In the case of a leave granted to you to care for a covered servicemember: The end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to you under this section for all reasons. If you take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case: The end of a total leave period of 12 weeks in any 12 month period.
- The date on which your *Employer's Plan* is terminated or you are no longer eligible for coverage under this *Plan*.
- The end of the period for which the premium has been paid.

**Definitions** As used in this section, the terms listed below have the meanings shown below:

- **Active Duty:** This term means duty under a call or order to active duty in the Armed Forces of the United States.
- **Contingency Operation:** This term means a military operation that: (a) is designated by the Secretary of Defense as an operation in which members of the armed forces are or may become involved in military actions, operations, or hostilities against an enemy of the United States or against an opposing military force; or (b) results in the call or order to, or retention on, active duty of members of the uniformed services under any provision of law during a war or during a national emergency declared by the President or Congress.
- **Covered Servicemember:** This term means a member of the Armed Forces, including a member of the National Guard or Reserves, who for a serious injury or illness: (a), is undergoing medical treatment, recuperation, or therapy; (b) is otherwise in outpatient status; or (c) is otherwise on the temporary disability retired list.
- **Next Of Kin:** This term means the nearest blood relative of the *employee*.
- **Outpatient Status:** This term means, with respect to a covered servicemember, that he or she is assigned to: (a) a military medical treatment facility as an outpatient; or (b) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.
- **Serious Injury Or Illness:** This term means, in the case of a covered servicemember, an injury or illness incurred by him or her in line of duty on active duty in the Armed Forces that may render him or her medically unfit to perform the duties of his or her office, grade, rank, or rating.

## **Dependent Life Coverage**

CGP-3-DEP-90-1.0

B264.0056

**Eligible Dependents For Optional Dependent Life Benefits** Your *eligible dependents* are: your legal spouse who is under age 70, and your unmarried dependent children, until they reach age 23 and your unmarried dependent children, from age 23 until they reach age 25, who are enrolled as full-time students at accredited schools.

CGP-3-DEP-90-3.0

B264.2669

**Adopted Children And Step-Children** Your "unmarried dependent children" include your legally adopted children and, if they depend on you for most of their support and maintenance, your step-children. We treat a child as legally adopted if the child is in your legal custody under an interim court order of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

**Dependents Not Eligible** We exclude any dependent who is on active duty in any armed force.

CGP-3-DEP-90-3.1

B264.2594

## Dependent Coverage (Cont.)

**Handicapped Children** You may have an unmarried child with a mental or physical handicap, or developmental disability, who can't support himself. Subject to all of the terms of this section and the *plan*, such a child may stay eligible for dependent health benefits past this *plan's* age limit.

The child will stay eligible as long as he stays unmarried and unable to support himself, if: (a) his conditions started before he reached this *plan's* age limit; (b) he became insured by this *plan* before he reached the age limit, and stayed continuously insured until he reached such limit; (c) he depends on you for most of his support and maintenance.

But, for the child to stay eligible, you must send us written *proof* that the child is handicapped and depends on you for most of his support and maintenance. You have 31 days from the date the child reaches the age limit to do this. We can ask for periodic *proof* that the child's condition continues. But, after two years, we can't ask for this *proof* more than once a year.

The child's coverage ends when yours does.

CGP-3-DEP-90-4.0

B264.0541

**Proof Of Insurability** We require *proof* that a dependent is insurable, if you: (a) enroll a dependent and agree to make the required payments after the end of the *enrollment period*; (b) in the case of a newly acquired dependent, other than the first newborn child, have other eligible dependents who you have not elected to enroll; or (c) in the case of a *newly acquired dependent*, have other *eligible dependents* whose coverage previously ended because you failed to make the required contributions, or otherwise chose to end such coverage.

A dependent is not insured by any part of this *plan* that requires such *proof* until you give us this *proof*, and we approve it in writing.

If the dependent coverage ends for any reason, including failure to make the required payments, your dependents won't be covered by this *plan* again until you give us new *proof* that they're insurable and we approve that *proof* in writing.

CGP-3-DEP-90-5.0

B200.0288

**When Dependent Coverage Starts** In order for your dependent coverage to begin you must already be insured for employee coverage, or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of the first of the month which coincides with or next follows your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the later of the first of the month which coincides with or next follows the date you sign the enrollment form; and the date you become insured for employee coverage.

## Dependent Coverage (Cont.)

---

If you do this after the *enrollment period* ends, your dependent coverage is subject to *proof of insurability* and won't start until we approve that *proof* in writing.

Once you have dependent coverage for your *initial dependents*, you must notify us when you acquire any new dependents and agree to make any additional payments required for their coverage.

A *newly acquired dependent* will be covered for those dependent benefits not subject to *proof of insurability* from the later of the date you notify us and agree to make any additional payments, and the date the *newly acquired dependent* is first eligible.

If *proof of insurability* is required for dependent benefits as explained above, those benefits are scheduled to start, subject to the "Exception" stated below, on the effective date shown in the "Endorsement" section of your application, provided that you send us the *proof* we require and we approve that *proof* in writing. A copy of the approved application is furnished to you.

CGP-3-DEP-90-6.0

B200.0314

**Exception** If a dependent, other than a newborn child, is confined to a *hospital* or other health care facility; or is home-confined; or is unable to carry out the normal activities of someone of like age and sex on the date his dependent benefits would otherwise start, we will postpone the effective date of such benefits until the day after his discharge from such facility; until home confinement ends; or until he resumes the normal activities of someone of like age and sex.

CGP-3-DEP-90-7.0

B200.0692

**When Dependent Coverage Ends** Dependent coverage ends for all of your dependents when your employee coverage ends. Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an *eligible dependent*. This happens to a child at 12:01 a.m. on the date the child attains this *plan's* age limit, when he marries, or when a step-child is no longer dependent on the employee for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment, and with respect to optional life coverage, it happens at 12:01 a.m. on the date the spouse reaches age 70.

Read this plan carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And they may have the right to replace certain group benefits with converted policies.

## CERTIFICATE AMENDMENT

---

Effective July 1, 2010, this rider amends the dependent coverage provisions as follows:

Your domestic partner will be eligible for coverage under this plan subject to all of the terms of this plan and the limitations below. "Domestic partner" means an adult who has chosen to share his or her life with you in an intimate and committed relationship of mutual caring.

To qualify for such coverage, you and your domestic partner must be either:

- (a) registered domestic partners; or
- (b) non-registered domestic partners.

As used here:

"Registered domestic partners" means an employee and his or her domestic partner who: (a) have filed a Declaration of Domestic Partnership with the California Secretary of State; (b) were registered as a domestic partner in the registry for those partnerships; and (c) were issued a copy of the registered form and a Certificate of Registered Domestic Partnership.

"Non-registered domestic partners" means an employee and his or her domestic partner who:

- are 18 years of age or older;
- are unmarried, constitute each other's sole domestic partner, and have not had another domestic partner in the last 12 months;
- share the same permanent address for at least 12 consecutive months and intend to do so indefinitely;
- share joint financial responsibility for basic living expenses including food, shelter and medical expenses;
- are not related by blood to a degree that would prohibit marriage in the employee's state of residence; and

## Certificate Amendment (Cont.)

---

- are financially interdependent which must be demonstrated by at least four of the following:
  - a. ownership of a joint bank account;
  - b. ownership of a joint credit account;
  - c. evidence of a joint mortgage or lease;
  - d. evidence of joint obligation on a loan;
  - e. joint ownership of a residence;
  - f. evidence of common household expenses such as utilities or telephone
  - g. execution of wills naming each other as executor and/or beneficiary;
  - h. granting each other durable powers of attorney;
  - i. granting each other health care powers of attorney;
  - j. designation of each other as beneficiary under a retirement benefit account; or
  - k. evidence of other joint financial responsibility.

Your registered domestic partner, or non-registered domestic partner, will be eligible for dependent optional life coverage under this plan.

To cover your non-registered domestic partner, you must complete a "Declaration of Domestic Partnership" attesting to the relationship and forward it to us.

A registered or non-registered domestic partner's dependent children will be eligible for coverage under this plan on the same basis as if the children were your dependent children.

Coverage for a registered domestic partner and his or her dependent children ends when the domestic partnership is dissolved as provided under California law.

Coverage for a non-registered domestic partner and his or her dependent children ends when the domestic partner no longer meets the qualifications of a non-registered domestic partner as described above. Upon termination of a non-registered domestic partnership, a "Statement of Termination" must be completed and filed with the employer. Once you submit a "Statement of Termination", you may not enroll another non-registered domestic partner for a period of 12 months from the date of the previous termination.

You can change your beneficiary at any time by giving your *employer* written notice, unless you've assigned this insurance. But the change won't take effect until your *employer* gives you written confirmation of the change.

If you named more than one person, but didn't tell us what their shares should be, they'll share equally. If someone you named dies before you do, his share will be divided equally by the beneficiaries still alive, unless you've told us otherwise.

If there is no beneficiary when you die, we'll pay the insurance to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; or (e) your brothers and sisters.

**Assigning Your Life Insurance** If you assign this insurance, you permanently transfer all your rights under this insurance to the assignee. Only one of the following can be an assignee: (a) your spouse; (b) one of your parents or grandparents; (c) one of your children or grandchildren; (d) one of your brothers or sisters; or (e) the trustee(s) of a trust set up for the benefit of one or more of these relatives.

We suggest you speak to your lawyer before you make any assignment. If you decide you want to assign this insurance, ask your *employer* for details or write to us.

**Payment to a Minor or Incompetent** If your beneficiary is a minor or incompetent, we have the option of paying this insurance in monthly installments. We would pay them to the person who cares for and supports your beneficiary.

**Settlement Option** If you or your beneficiary ask us, we'll pay all or part of this insurance in installments. Any request must be made to us in writing. The amounts of the installments and how they would be paid depend on what we offer at the time the request is made.

## Information About Conversion and Portability

---

No covered person is allowed to convert his or her coverage, and elect a portable certificate of coverage at the same time. If a situation arises in which a covered person would be eligible to both convert and port, he or she may only exercise one of these privileges. A covered person may never be insured under both a converted policy and a portable certificate of coverage at the same time. The covered person should read his or her plan, as well as any related materials carefully before making an election.

## Converting This Group Term Life Insurance

---

**If Employment or Eligibility Ends** Your group life insurance ends if: (a) your employment ends; or (b) you stop being a member of an eligible class of employees. If either happens, you can convert your group life insurance to an individual life insurance policy. Conversion choices are based on your disability status.

If you are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", you can convert to a permanent life insurance policy. You can convert the amount for which you were covered under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy, as explained in the section labeled "Interim Term Insurance". You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

**If The Group Plan Ends or Group Life Insurance Is Dropped** Your group life insurance also ends if: (a) this group plan ends; or (b) life insurance is dropped from the group plan for all employees or for your class. If either happens, you may be eligible to convert as explained below. Conversion choices are based on your disability status.

If you: (a) are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", when this coverage ends; and (b) you have been insured by a Guardian group life plan for at least five years, you can convert to a permanent life insurance policy. But, the amount you can convert is limited to the lesser of: (a) \$2,000.00; or (b) the amount of your insurance under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy. You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

**The Converted Policy** The premium for the converted policy will be based on your age on the converted policy's effective date. The converted policy will start at the end of the period allowed for conversion. The converted policy does not include disability or dismemberment benefits.

**Interim Term Insurance** If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you have the option to convert your coverage to an individual term life insurance policy. The individual term policy requires lower premiums than an individual permanent insurance policy.

This Interim term policy is available for only one year from the date you become disabled. During this year, if you are approved for the Extended Life Benefit, the interim term insurance is cancelled, as of our approval date. If, after one year, you have not been approved for the Extended Life Benefit, you must convert to an individual permanent life insurance policy, or coverage will end. Premiums for the individual permanent life insurance policy will be based on your age as of the date you convert from the interim term insurance policy.

**How and When to Convert** To get a converted policy, you must apply to us in writing and pay the required premium. You have 31 days after your group life insurance ends to do this. We won't ask for proof that you are insurable.

**Death During the Conversion Period** If you die in the 31 days allowed for conversion, we'll pay your beneficiary the amount you could have converted. We'll pay whether or not you applied for conversion.

**Notice of Conversion Right** If you are entitled to obtain a converted policy under this section, full compliance with this provision for Notice of Conversion Right will be satisfied by written notice: (a) given to you by the employer; (b) mailed to you by the employer at your last known address; or (c) mailed to you by us at your last known address that is supplied to us by the employer.

## Your Accelerated Life Benefit

---

**IMPORTANT NOTICE: USE OF THE BENEFIT PROVIDED BY THIS SECTION MAY HAVE TAX IMPLICATIONS AND MAY AFFECT GOVERNMENT BENEFITS OR CREDITORS. YOU SHOULD CONSULT WITH YOUR TAX OR FINANCIAL ADVISOR BEFORE APPLYING FOR THIS BENEFIT.**

**PLEASE NOTE: THE AMOUNT OF GROUP TERM LIFE INSURANCE IS PERMANENTLY REDUCED BY THE GROSS AMOUNT OF THE ACCELERATED LIFE BENEFIT PAID TO YOU.**

**Accelerated Life Benefit** If you have a medical condition that is expected to result in your death within 6 months, you may apply for an Accelerated Life Benefit. An Accelerated Life Benefit is a payment of part of your group term life insurance made to you before you die.

We subtract the gross amount paid to you as an Accelerated Life Benefit from the amount of your group term life insurance under this plan. The remaining amount of your group term life insurance is permanently reduced by the gross amount paid to you.

By "group term life insurance" we mean any Employee Optional Group Term Life Insurance for which you are insured under this plan. "Group term life insurance" does not mean Accidental Death and Dismemberment Benefits, any insurance provided under this plan for covered persons other than you or any scheduled increase in the amount of any Employee Group Term Life Insurance that is due within the six month period after the date you apply for the Accelerated Life Benefit.

By "gross amount" we mean the amount of an Accelerated Life Benefit elected by you, before the discount and the processing fee are subtracted.

For the purposes of this provision, "terminal condition" means a medical condition that is expected to result in your death within 6 months.

You may use the Accelerated Life Benefit in any way you choose. But you may receive only one Accelerated Life Benefit during your lifetime. If you live longer than 6 months, or if you recover from the condition, the benefit does not have to be repaid. But the amount of this benefit is not restored to your remaining group term life insurance. And you may not receive another Accelerated Life Benefit if you have a relapse or develop another terminal condition.

**Maximum Benefit Amount** The amount of the Accelerated Life Benefit for which you may apply is based on the amount of group term life insurance for which you are insured on the day before you apply for the benefit. The minimum benefit amount is the lesser of: (a) \$10,000.00; or (b) 50% of the inforce amount. The maximum benefit amount is the lesser of: (a) \$250,000.00; or (b) 50% of the inforce amount.

**Discount** The amount for which you apply is discounted to the present value in six months from the date the benefit is paid, based on the maximum adjustable policy loan interest rate permitted in the state in which your employer is located.

A detailed statement of the method of computing the amount of the Accelerated Life Benefit is filed with each state insurance department. This statement is available from The Guardian upon request.

## Your Accelerated Life Benefit (Cont.)

---

<b>Processing Fee</b>	A fee of up to \$150.00 may also be required for the administrative cost of evaluating and processing your Accelerated Life Benefit. This fee is deducted from the amount of the Accelerated Life Benefit paid to you.
<b>Payment of An Accelerated Life Benefit</b>	If we approve your application for an Accelerated Life Benefit, we pay the amount you have elected, less the discount and the processing fee. We pay the benefit to you in one lump sum. And what we pay is subject to all of the other terms of this plan.
<b>How And When To Apply</b>	<p>To receive the Accelerated Life Benefit, you must send us written proof from a licensed doctor who is operating within the scope of his or her license that your medical condition is expected to result in your death within 6 months of the date of the written medical proof. We must approve such proof in writing before the Accelerated Life Benefit will be paid.</p> <p>We can have you examined by a doctor of our choice to verify the terminal condition. We'll pay the cost of such examination. We will not pay the Accelerated Life Benefit if our doctor does not verify the terminal condition.</p> <p>If we approve you to receive an Accelerated Life Benefit, we give you a statement which shows: (a) the amount of the maximum Accelerated Life Benefit for which you are eligible; and (b) the amount by which your group term life insurance will be reduced if you elect to receive the maximum Accelerated Life Benefit; and (c) the amount of the processing fee.</p> <p>Even if you are receiving an Extended Life Benefit under this plan, you can still apply for an Accelerated Life Benefit. However, once you convert your group term life insurance, the terms of the converted life policy will apply. Any amount to which you could otherwise convert is permanently reduced by the gross amount of the Accelerated Life Benefit paid to you.</p> <p>Please read "Your Remaining Group Term Life Insurance" provision for restrictions that may apply.</p>
<b>If You Have Assigned Your Group Term Life Insurance</b>	<p>If you have already assigned your group term life insurance, according to the terms of this plan, you can't apply for an Accelerated Life Benefit.</p> <p>CGP-3-R-EALB-95 <span style="float: right;">B275.0027</span></p>
<b>If You Are Incompetent</b>	If you are determined to be legally incompetent, the person the court appoints to handle your legal affairs may apply for the Accelerated Life Benefit for you.
<b>Your Remaining Group Term Life Insurance</b>	<p>The remaining amount of group term life insurance for which you are covered after receiving an Accelerated Life Benefit payment is subject to any increases or cutbacks that would otherwise apply to your insurance. Applicable cutbacks are applied to the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.</p> <p>The premium cost of your remaining coverage is based on the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.</p>

---

## Your Accelerated Life Benefit (Cont.)

You may be required to provide proof of insurability for increased amounts. If you are, we must approve that proof in writing before you are covered for the new amount.

The total amount of group term life insurance your beneficiary would otherwise receive upon your death is reduced by the gross amount of the Accelerated Life Benefit paid to you.

If you die after electing the Accelerated Life Benefit, but before we send the benefit to you, your beneficiary will receive the amount of the group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

**Restrictions** We will not pay an Accelerated Life Benefit to you if you:

- are required by law to use the payment to meet the claims of creditors, whether or not you are in bankruptcy; or
- are required by court order to pay all or part of the benefit to another person; or
- are required by a government agency to use the payment to apply for, to receive or to maintain a governmental benefit or entitlement; or
- lose your coverage under the group plan for any reason after you elect the Accelerated Life Benefit but before we pay such benefit to you.

## Your Extended Life Benefit With Waiver Of Premium

**Important Notice** This section applies to your basic life benefit. But, it does not apply to your accidental death and dismemberment benefits; nor to any of your dependent's insurance under this group plan. In order to continue dependent basic life insurance, you must convert your dependent coverage to an individual permanent policy.

**If You Are Disabled** You are disabled if you meet the definition of total disability, as stated below. If you meet the requirements in the "How and When to Apply" provision, we'll extend your basic life insurance under this section without payment of premiums from you or the employer.

Total Disability or Totally Disabled means, due to sickness or injury, you are:

- (a) not able to perform any work for wages or profit; and
- (b) you are receiving regular doctor's care appropriate to the cause of disability.

**How And When To Apply** To apply for this extension, you must submit satisfactory written medical proof of your total disability within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied, unless we receive written proof that: (a) you lacked the legal capacity to file the claim; or (b) it was not reasonably possible for you to file the claim.

## Your Extended Life Benefit With Waiver Of Premium (Cont.)

---

Also, in order to be eligible for this extension, you must:

- (a) become totally disabled before you reach age 60 and while insured by the group plan; and
- (b) remain totally disabled for nine continuous months.

You are encouraged to apply for this benefit immediately upon the onset of disability.

### **Continued Eligibility For Extended Life Benefit**

We may require periodic written proof that you remain totally disabled to maintain this extension. This written proof of your continued disability and doctor's care must be provided to us within 30 days of the date we make each such request.

We can require that you take part in a medical assessment, with a medical professional of our choice, as often as we feel is reasonably necessary during the first two years we've extended your life benefits. But after two years, we can't have you examined more than once a year.

### **Until You've Been Approved For This Extended Life Benefit**

Your life insurance under the group plan may end after you've become totally disabled, but before we've approved you for this extension. During this time period, you may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer until you are approved or declined for this extended life benefit; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

However, if this group plan terminates, and you are totally disabled and eligible, but not yet approved, for this extended benefit, you must convert to an individual permanent or term policy, and remain insured under such policy until you are approved by us for the extended benefit.

Converting does not stop you from claiming your rights under this section. But if you convert and we later approve you for this extended benefit, we'll cancel the converted policy as of our approval date. Once you are approved for this extended benefit, your group term life coverage will be reinstated at no further cost to you or the employer.

### **When This Extension Begins**

Once approved by us, your extended benefit will be effective on the later of:

  - (b) the date we ask you to be examined by our doctor, and you refuse;
  - (c) the date you do not give us the proof of disability we require;
  - (d) the date you are no longer receiving regular doctor's care appropriate to the cause of disability; or
  - (e) the day before the date you reach age 65.

If the extension ends, and you are not insured by the group plan again as an active full-time employee, you can convert as if your employment just ended. Read the section labeled "Converting This Group Term Life Insurance".

- (a) written proof of your death, that is acceptable to us; and

## **Your Extended Life Benefit With Waiver Of Premium**

---

- Important Notice** This section applies to your optional life benefit. But, it does not apply to your accidental death and dismemberment benefits; nor to any of your dependent's insurance under this group plan. In order to continue dependent optional life insurance, you must convert your dependent coverage to an individual permanent policy.

- If You Are Disabled** You are disabled if you meet the definition of total disability, as stated below. If you meet the requirements in the "How and When to Apply" provision, we'll extend your optional life insurance under this section without payment of premiums from you or the employer.

Total Disability or Totally Disabled means, due to sickness or injury, you are:

- (a) not able to perform any work for wages or profit; and
- (b) you are receiving regular doctor's care appropriate to the cause of disability.

- How And When To Apply** To apply for this extension, you must submit satisfactory written medical proof of your total disability within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied, unless we receive written proof that: (a) you lacked the legal capacity to file the claim; or (b) it was not reasonably possible for you to file the claim.

## Your Extended Life Benefit With Waiver Of Premium (Cont.)

---

Also, in order to be eligible for this extension, you must:

- (a) become totally disabled before you reach age 60 and while insured by the group plan; and
- (b) remain totally disabled for nine continuous months.

You are encouraged to apply for this benefit immediately upon the onset of disability.

### **Continued Eligibility For Extended Life Benefit**

We may require periodic written proof that you remain totally disabled to maintain this extension. This written proof of your continued disability and doctor's care must be provided to us within 30 days of the date we make each such request.

We can require that you take part in a medical assessment, with a medical professional of our choice, as often as we feel is reasonably necessary during the first two years we've extended your life benefits. But after two years, we can't have you examined more than once a year.

### **Until You've Been Approved For This Extended Life Benefit**

Your life insurance under the group plan may end after you've become totally disabled, but before we've approved you for this extension. During this time period, you may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer until you are approved or declined for this extended life benefit; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

However, if this group plan terminates, and you are totally disabled and eligible, but not yet approved, for this extended benefit, you must convert to an individual permanent or term policy, and remain insured under such policy until you are approved by us for the extended benefit.

Converting does not stop you from claiming your rights under this section. But if you convert and we later approve you for this extended benefit, we'll cancel the converted policy as of our approval date. Once you are approved for this extended benefit, your group term life coverage will be reinstated at no further cost to you or the employer.

### **When This Extension Begins**

Once approved by us, your extended benefit will be effective on the later of:

- (a) nine continuous months from the date active full-time service ends due to total disability; or
- (b) the date we approve you for this benefit.

## **Your Dependent Spouse and Child Optional Term Life Insurance**

- The Benefit** Subject to the limitations and exclusions shown below, if one of your dependents dies while insured for this benefit, we pay the amount shown in the schedule for the plan you have elected. We pay this in a lump sum when we receive written proof of death which is acceptable to us. Send the proof to us as soon as soon as possible.

If there are none, we pay the child's estate. If the dependent was your spouse, we pay your spouse's estate.

- Suicide Exclusion** We pay no benefits if the dependent's death is due to suicide, if such death occurs within two years from the effective date of the dependent's optional term life insurance under this *plan*. Also, we pay no increased benefit amount if the dependent's death is due to suicide, if such death occurs within two years from the effective date of the increase.

**Payment to a Minor or Incompetent** If the beneficiary is a minor or not competent, we have the right to pay in monthly installments. We would pay the person who cares for and supports the beneficiary. We completely discharge our liability for any amounts paid this way.

## Converting This Dependent Term Life Insurance

**If Your Group Life Insurance Ends or You Stop Being Eligible** Dependent term life insurance ends for all of your dependents when your group life insurance ends. Your insurance ends when: (a) your active full-time employment ends; (b) you stop being a member of a class of employees eligible for employee group life insurance; (c) your group life insurance is extended under the Extended Life Benefit provision; or (d) you die.

Dependent term life insurance also ends when you stop being a member of a class of employees eligible for dependent term life insurance.

If one of the above happens, each dependent who was insured may convert all or part of his or her insurance.

**If This Plan Ends or Life Insurance is Dropped** Dependent term life insurance also ends for all of your dependents when this plan ends. And it ends if either employee or dependent term life insurance is dropped from this plan for all employees or for your class.

If one of the above happens, and your dependents have been insured by a Guardian group plan for at least five years, they can convert. But we limit the amount each dependent can convert to the lesser of: (a) \$2,000.00; and (b) the amount of his or her insurance under this plan less any group life benefits for which he or she becomes eligible in the 31 days after this insurance ends.

**If a Dependent Stops Being Eligible** A dependent's term life insurance ends when he or she stops being an eligible dependent as defined by this plan. If a dependent stops being eligible, that dependent can convert all or part of his or her insurance.

**The Converted Policy** The dependent can convert to one of the individual life insurance policies we normally issue. That policy can't include disability benefits. And it can't be a term policy.

The premium for the converted policy will be based on: (a) the dependent's risk and rate class under this plan; and (b) the dependent's age when the converted policy takes effect. The converted policy takes effect at the end of the period allowed for conversion.

Write to us for details.

## **Converting This Dependent Term Life Insurance (Cont.)**

---

**How and When to Convert** To get a converted policy, the dependent must apply to us in writing and pay the required premium. He or she has 31 days after his or her group insurance ends to do this. We won't ask for proof that he or she is insurable.

If the dependent is a minor or not competent, the person who cares for and supports the dependent may apply for him or her.

**Death During the Conversion Period** If a dependent dies in the 31 days allowed for conversion, we pay the amount he or she could have converted, as stated above. We do this whether or not he or she applied for conversion.

**Notice of Conversion Right:** If your dependent is entitled to obtain a converted policy under this section, full compliance with this provision for Notice of Conversion Right will be satisfied by written notice: (a) given to you by the employer; (b) mailed to you by the employer at your last known address; or (c) mailed to you by us at your last known address that is supplied to us by the employer.

The notice should be given at least 15 days before the end of the 31 day period allowed for conversion as described in "How and When to Convert." If the notice is not given at least 15 days before the end of such period, the dependent will have an additional period of 25 days from the date notice is given to apply for the converted policy and pay the required premium. But, in no event shall the additional period extend more than 60 days beyond the 31 day period allowed for conversion as described above.

### Employee Coverage

---

**Eligible Employees** To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

**Other Conditions** You must:

- (a) be legally working in the United States.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 30 hours per week), at:
  - (i) your *employer's* place of business;
  - (ii) some place where your *employer's* business requires you to travel; or
  - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

Note: If you are working outside the United States on a temporary assignment and you meet all other conditions of eligibility, you will be covered by this *plan*, provided that: you are on an assignment, not exceeding one year, in a country or region that is not under a travel warning issued by the US Department of State. Coverage may be available when you are: (1) on a longer temporary assignment; or (2) assigned in a region that is under a travel warning; however, coverage must be approved by us in writing.

If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. Other parts of this coverage explain if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

**When Your Coverage Starts** Employee benefits that don't require *proof* that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

## Employee Coverage (Cont.)

---

Employee benefits that require such *proof* won't start until you send us the *proof* and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your occupation on any date part of your insurance is scheduled to start, we will postpone that part of your coverage until the date you are so capable and are working your regular number of hours.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

Date For Disability  
Coverage**

With respect to this *plan's* disability insurance, if an *employee* is not actively at work on a *full-time* basis on the date his or her coverage is scheduled to start, due to *sickness* or *injury*, we'll postpone coverage for an otherwise covered loss due to that condition. We'll postpone such coverage until he or she completes 10 consecutive days of active *full-time* service without missing a work day due to the same condition.

Coverage for an otherwise covered loss due to all other conditions will start on the date the *employee* returns to active *full-time* service.

Coverage Ends**

Your short term disability coverage ends on the date your active full-time service ends for any reason.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you are no longer working in the United States, unless you are on a temporary assignment: (1) not exceeding one year in a country or region that is not under a travel warning issued by the US Department of State; or (2) for which we have agreed, in writing, to provide coverage.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

However, if you are disabled, as defined by this *plan* when your active *full-time* service ends, coverage remains in force during: (a) the elimination period, subject to premium payment, if (i) the disability is not excluded under the *plan*; and (ii) benefits are not excluded due to application of this *plan*'s pre-existing condition provision; and (b) the period for which benefits are payable under this *plan*.

You must also give us current signed authorizations for release of medical and financial data when we request it.

**Right To Request Medical, Financial Or Vocational Assessment** We may ask you to take part in a medical, financial or vocational assessment as often as we feel is reasonably necessary. We will pay for all such assessments. If you do not take part in the assessment, we have the right to stop or suspend your payments under this *plan*.

**Payment Of Benefits** We pay benefits to you if you are legally competent. If you are not, we pay benefits to the legal representative of your estate.

Benefits to which you are entitled may remain unpaid at your death. Such benefits may be paid at our discretion to: (a) your estate; or (b) your spouse, parents, children, or brothers and sisters.

## When Benefits End

**When Payments End** Your benefits from this *plan* will end on the earliest of the dates shown below:

- (a) The date you are no longer *disabled*.
- (b) The date you earn, or are able to earn, the maximum earnings allowed while *disabled* under this *plan*.
- (c) The date you are able to perform the major duties of your *own job* on a full-time basis with reasonable accommodation that an employer is willing to provide.
- (d) The date you no longer reside in the United States.

The modification or adjustment must make it possible for a *disabled* person to: (1) reach the same level of performance as a similarly situated non-disabled person; or (2) enjoy equal benefits and privileges of employment as are available to a similarly situated non-disabled person. The modification or adjustment must not place an undue hardship on the employer.

**Maximum Payment Period** The *maximum payment period* is the longest time that benefits are paid by this *plan* for your *disability*.

For *disability* due to *injury* the *maximum payment period* is 11 weeks.

For *disability* due to *sickness*, the *maximum payment period* is 11 weeks.

Payments for a pre-existing condition will be limited to a maximum of 2 weeks.

**If This Plan Ends** This insurance ends when the group plan ends. It also ends when this insurance is dropped from the group plan for all insureds, or for your class. If you are *disabled* when this insurance ends, we will treat you as if your insurance did not end. But, your benefit will be based on all of the terms of this *plan*.

## To Determine Your Benefit

Your benefit is determined by the plan of benefits and your *insured earnings* in effect on the date your *disability* starts.

Any changes to this *plan* that take place while you are *disabled* will not affect how we determine your benefit. This is also true for any changes that take place during a period of *active work* that occurs between an initial period of *disability* and a *recurring disability*.

### Determining Your Weekly Benefit

Your *weekly benefit* is determined as shown below.

- (a) Multiply your *insured earnings* by 60%. Round this amount to the nearest dollar.
- (b) If the amount determined above is less than this *plan's maximum weekly benefit*, that amount is your *gross weekly benefit*.

If the amount determined above is equal to or more than this *plan's maximum weekly benefit*, your *gross weekly benefit* is equal to the *maximum weekly benefit*.

- (c) From your *gross weekly benefit*, subtract the amount of any income listed in "Income We Integrate With" that you receive or are entitled to receive. The result is your *weekly benefit*.

The amount of your *gross weekly benefit* may be limited if the *plan sponsor* has not updated the amount of your *insured earnings* on the most recent reporting date prior to the start of your *disability*.

See the "Redetermination" section of this *plan* for details.

CGP-3-STD2K-4.0

B335.0018

### Redetermination

As of each July 1st, we use your then current *insured earnings* to set rates and to project benefit amounts and limits under this *plan*. However, you must be *actively-at-work* on a full-time basis on that date. If you are not, we do not do this until the date you return to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

CGP-3-STD2K-4.1

B335.0024

### Income We Integrate With

You may receive, or be entitled to receive, income shown in the list below. We will integrate your *gross weekly benefit* with such income to determine your *weekly benefit* from this *plan*.

- Commissions received, due to be received, or paid after *disability* benefits start. This includes vested and nonvested renewal commissions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group plans of: (1) the *plan sponsor*; or (2) your *employer*. This includes payments made by a group life insurance plan due to your *disability*. This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group plan.

## To Determine Your Benefit (Cont.)

- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
  - (a) All disability benefits for which: (i) you are qualified; and (ii) your spouse and children are qualified due to your *disability*;
  - (b) All unreduced retirement benefits for which: (i) you are qualified; and (ii) your spouse and children are qualified due to your qualification; and
  - (c) all reduced retirement benefits paid to: (i) you; and (ii) your spouse and children due to your receipt of such benefits.

We will integrate your *gross weekly benefit* with such benefits to which your spouse and children are entitled due to your receipt of or qualification for disability benefits. We do this without regard to: (a) your marital status; (b) where you live; (c) where your spouse lives; (d) where your child lives; or (e) any custody arrangements made on behalf of your child.

- *Retirement plan retirement benefits* funded for your benefit by: (1) the *plan sponsor*; or (2) your *employer*.
- *Retirement plan disability benefits*.
- *Retirement benefits* or *retirement plan disability benefits*, due to your *disability*, from any *government plan* other than those shown above.
- Disability benefits from any: (1) *no-fault motor vehicle* coverage; (2) motor vehicle financial responsibility act; or (3) like law.
- Benefits from: (1) a Workers' Compensation law; (2) an occupational disease law; or (3) any other act or law of like intent. This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure.
- Disability benefits from any third party when your *disability* is the result of the negligence or intentional tort liability of that third party.
- Payment from your *employer* as part of a termination agreement.

We integrate your *gross weekly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Our right to reduce your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgement, waiver or otherwise shall not negate our right.

CGP-3-STD2K-4.2

B335.0025

### **Lump Sum Payments Of Other Income**

Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent weekly rate stated in the award into account when we determine your *weekly benefit*. If no weekly rate is given, we divide the lump sum payment by the number of calendar days in the period for which it was awarded. This will determine the daily rate. Then, multiply the daily rate by seven. The result is the prorated weekly rate.

## To Determine Your Benefit (Cont.)

---

**Cost Of Living Freeze** You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your *weekly benefit* by the amount of such increase.

**Application For Other Income** You must apply for other income benefits to which you may be entitled. If these benefits are denied, you must appeal until: (a) all possible appeals have been made; or (b) we notify you that no further appeals are required.

If we feel you are entitled to receive such income benefits, we will estimate the amount due to you and your spouse and children. We will take this estimated amount into account when we determine your *weekly benefit*. But, we will not take this estimated amount into account if you sign our reimbursement agreement. In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce your *gross weekly benefit* by an estimated amount, we will adjust your *weekly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid you, we pay the full amount of the underpayment in a lump sum.

We will assist you in applying for other income benefits.

CGP-3-STD2K-4.3

B335.0027

**Partial Week Payment** You may be disabled for only part of a week. In this case, we compute your payment as 1/7th of the benefit to which you would be entitled for the week times the number of days you are disabled.

**Overpayment Recovery** If we overpaid you, you must repay us in full. We have the right to reduce your payment or apply any benefits payable, including the minimum payment, toward recovery of the overpayment.

CGP-3-STD2K-4.4

B335.0074

## If You Work While Disabled

---

**Income Earned During Disability** Subject to the other terms of this *plan*, *income earned during disability* is treated as shown below while this *plan* pays benefits.

We reduce your *weekly benefit* by 50% of your *income earned during disability*.

CGP-3-STD2K-5.0

B335.0032

**Maximum Income Earned During Disability** This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *income earned during disability* is more than 80% of your *insured earnings*, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than that limit.

CGP-3-STD2K-5.1

B335.0033

---

## Recurring Disability

Your benefits from this *plan* will end because you cease to be *disabled*. In this case, a later *disability* may be treated as a *recurring disability*. The terms listed below must be met:

- (a) You return to *active work* right after your benefits end;
- (b) Your *disability* recurs less than two weeks after you were last entitled to benefits;
- (c) Your later *disability* is due to the same cause of, or a cause related to the cause of, your earlier *disability*;
- (d) This *plan* does not end during your return to *active work*;
- (e) You do not become covered under any other group short term disability plan during the time you return to *active work*;
- (f) During the time you return to *active work*, you stay insured by this *plan* and premium payments are made on your behalf; and
- (g) Your benefits do not end because you have used up the *maximum payment period*.

Any changes in benefit or the *plan* which take place during your return to *active work*, will not apply to the *recurring disability*.

If the later *disability* is a *recurring disability*, you will not need to complete a new *elimination period* before becoming entitled to benefits. Your claim for *recurring disability* will be subject to the same terms of the *plan* as your earlier *disability*.

CGP-3-STD2K-6.0

B335.0034

## Pre-Existing Conditions

A pre-existing condition is a *sickness* or *injury*, including all related conditions and complications, for which, in the look back period, you:

- (a) receive advice or treatment from a *doctor*;
- (b) take prescribed drugs; or
- (c) receive other medical care or treatment, including consultation with a *doctor*.

You may have been prescribed drugs by a *doctor* for a condition to be taken during the look back period. In that case, such condition or a related condition will be considered pre-existing.

The "look back period" is the three months before the latest of: (a) the effective date of your insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in your benefit election that increases the benefit payable by this *plan*.

A pregnancy that exists on the date your insurance under this *plan* starts is also a pre-existing condition.

## Pre-Existing Conditions (Cont.)

---

For any *disability* due to a pre-existing condition, we limit the *maximum payment period* to 2 weeks; unless the *disability* starts after you complete at least one full day of *active work* after the date you are insured under this *plan* for 12 months in a row.

You may become *disabled* due to a pre-existing condition after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in your benefit election which increases the benefit payable by this *plan*. In this case, your benefit will be limited to the amount that would have been payable had the change not taken place. This limit does not apply if your *disability* starts after you complete at least one full day of *active work* after the change has been in force for 12 months in a row.

We do not cover any *disability* that starts before your insurance under this *plan*.

CGP-3-STD2K-8.0

B335.0230

**Prior Coverage Credit** If this *plan* replaces a similar short term disability plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to you. This *plan* must start right after the old plan ends.

We credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision. If the old plan did not have a pre-existing condition provision, we credit any time you were covered under the old plan toward meeting this *plan's* pre-existing condition provision. We do this if: (a) you were covered under the old plan when it ended; and (b) you are *actively-at-work* and enroll for insurance on the effective date of this *plan*.

But, we limit the *maximum weekly benefit* under this *plan* if: (a) it is more than the old plan's maximum; (b) you become *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum weekly benefit* to an amount equal to the old plan's maximum.

We deduct all payments made by the old plan under an extension provision.

CGP-3-STD2K-8.1

B335.0040

**Exclusions** This *plan* does not pay benefits for *disability* caused by, or related to:

- (a) declared or undeclared war, act of war, or armed aggression;
- (b) service in the armed forces, National Guard, or military reserves of any state or country;
- (c) your taking part in a riot or civil disorder;
- (d) your commission of, or attempt to commit a crime; or
- (e) intentional self-inflicted injuries.

We do not cover any period of *disability* caused directly or indirectly by: (i) job related or on the job *injury*; or (ii) conditions for which benefits are payable by Workers' Compensation or like laws.

We do not pay benefits for any period of *disability*:

- (1) during which you are confined to a facility as a result of your conviction of a crime;
- (2) during which you are not receiving regular care by a *doctor*;
- (3) during which you are not receiving medical care appropriate to the cause of your *disability* and any other *sickness* or *injury* which exists during your *disability*;
- (4) which starts before you are insured by this *plan*; or
- (5) during which your loss of earnings is not solely due to your *disability*.

**Definitions**

**Active Work, Actively-At-Work Or Actively Working** You are able to perform and are performing all of the regular duties of your work for your *employer*, on a full-time basis at: (a) one of your *employer's* usual places of business; (b) some place where your *employer's* business requires you to travel; or (c) any other place you and your *employer* have agreed on for your work.

CGP-3-STD2K-10.0

B335.0045

**Disability Or Disabled** These terms mean you have physical, mental or emotional limits caused by a current *sickness* or *injury*. And, due to these limits, you are not able to perform, on a full-time basis, the major duties of your *own job*.

You are not *disabled* if you earn, or are able to earn, more than this *plan's* maximum allowed *income earned during disability*.

You may be required, on average, to work more than 40 hours per week. In this case, you are not *disabled* if you are able to perform the major duties of your *own job* for 40 hours per week.

Loss of a professional or occupational license will not, in itself, constitute *disability*.

The modification or adjustment must not place an undue hardship on the employer.

## When Benefits End (Cont.)

**Maximum Payment Period** The *maximum payment period* is the longest time that benefits are paid by this *plan* for your *disability*. It is determined by the table shown below.

But, it may be less than that shown due to the nature of your *disability*. See "Special Limitations."

For a disability starting before the *employee* reaches age 60, the *maximum payment period* will last until the Social Security Normal Retirement Age as shown in the following table:

Employee's Year of Birth	Social Security Normal Retirement Age
Before 1938 . . . . .	65
1938 . . . . .	65 and 2 months
1939 . . . . .	65 and 4 months
1940 . . . . .	65 and 6 months
1941 . . . . .	65 and 8 months
1942 . . . . .	65 and 10 months
1943-1954 . . . . .	66
1955 . . . . .	66 and 2 months
1956 . . . . .	66 and 4 months
1957 . . . . .	66 and 6 months
1958 . . . . .	66 and 8 months
1959 . . . . .	66 and 10 months
After 1959 . . . . .	67

For a disability starting on or after the employee reaches age 60, the maximum payment period will be determined according to the following table:

Age When Disability Starts	Maximum Payment Period
Age 60 . . . . .	5.00 years
Age 61 . . . . .	4.00 years
Age 62 . . . . .	3.50 years
Age 63 . . . . .	3.00 years
Age 64 . . . . .	2.50 years
Age 65 . . . . .	2.00 years
Age 66 . . . . .	1.75 years
Age 67 . . . . .	1.50 years
Age 68 . . . . .	1.25 years
Age 69 or older . . . . .	1.00 year

But if an employee whose disability starts after age 60 reaches the end of the maximum payment from this table before he reaches the Social Security Normal Retirement Age, we will extend his maximum payment period until he reaches Social Security Normal Retirement Age.

CGP-3-LTD2K-3.1

B380.0025

**Special Limitations** We limit the *maximum payment period*, if you are *disabled* due to a condition listed below.

The *maximum payment period* for all such periods of *disability* is 24 months. This is a combined maximum for all such conditions and all periods of *disability*.

We limit the *maximum payment period* for *disabilities* caused or contributed to by the following conditions:

- *Mental or emotional conditions*
- Drug or alcohol abuse
- Musculoskeletal and connective tissue disorders including, but not limited to:
  - Sprains or strains of joints and muscles
  - Soft tissue conditions
  - Repetitive motion syndromes or injuries
  - Fibromyalgia
- Chronic fatigue conditions including, but not limited to:
  - Chronic fatigue syndrome
  - Chronic fatigue immunodeficiency syndrome
  - Epstein-barr syndrome
- Chemical and environmental sensitivities
- Headache
- Chronic pain, myofascial pain
- Gastro-esophageal reflux disorder
- Irritable bowel syndrome
- Vestibular dysfunction, vertigo, dizziness

This limitation will not apply to *disabilities* caused or contributed to by the following conditions:

- Schizophrenia
- Dementia
- Organic brain syndromes
- Amnesia syndromes
- Organic delusional or hallucinogenic syndromes
- Arthritis
- Ruptured intervertebral discs
- Spinal fractures
- Osteopathies
- Spinal tumors, malignancy or vascular malformations
- Radiculopathies, documented by EMG
- Spondylolisthesis, Grade II or higher

---

## When Benefits End (Cont.)

- Myelopathies
- Demyelinating diseases
- Traumatic spinal cord necrosis

No benefits will be paid for *disability* due to a *mental or emotional condition* or drug or alcohol abuse if you are not receiving treatment for the cause of the *disability* from a provider, or in a facility that is: (a) licensed by the state to provide treatment for such condition; and (b) accredited or approved by the Joint Commission on the Accreditation of Health Care Facilities or Medicare.

If payments under this *plan* would end due to the limits in this section, we may extend such payments, as shown below. But, you must meet all of the following conditions: (a) you must be *disabled* due to a condition named above; (b) you must be an inpatient in a qualified institution because of your *disability*; and (c) you must have been treated as an inpatient for at least 14 days in a row. In such case, we extend payments until the earliest of: (i) 90 days from the date of your discharge; (ii) the end of this *plan's maximum payment period*; or (iii) the date your *disability* ends.

The term "qualified institution" means a legally operated hospital or other public or private facility licensed to provide inpatient medical care and treatment for the cause of your *disability*.

**If This Plan Ends** This insurance ends when the group plan ends. It also ends when this insurance is dropped from the group plan for all insureds, or for your class. If you are *disabled* when this insurance ends, we will treat you as if your insurance did not end. But, your benefit will be based on all of the terms of this *plan*.

## To Determine Your Benefit

Your benefit is determined by the plan of benefits and your *insured earnings* in effect on the date your *disability* starts.

Any changes to this *plan* that take place while you are *disabled* will not affect how we determine your benefit. This is also true for any changes that take place during a period of *active work* that occurs between an initial period of *disability* and a *recurring disability*.

**Determining Your Monthly Benefit** Your *monthly benefit* is determined as shown below.

- (a) Multiply your *insured earnings* by 60%. Round this amount to the nearest dollar.
- (b) If the amount determined above is less than this *plan's maximum monthly benefit*, that amount is your *gross monthly benefit*.

If the amount determined above is equal to or more than this *plan's maximum monthly benefit*, your *gross monthly benefit* is equal to the *maximum monthly benefit*.

## To Determine Your Benefit (Cont.)

- (c) From your *gross monthly benefit*, subtract the amount of any income listed in "Income We Integrate With" that you receive or are entitled to receive. The result is your *monthly benefit*.

The amount of your *gross monthly benefit* may be limited if the *plan sponsor* has not updated the amount of your *insured earnings* to reflect your then current *insured earnings* on the most recent reporting date prior to the start of your *disability*.

See the "Redetermination" of this *plan* for details.

CGP-3-LTD2K-4.0

B380.0033

**Redetermination** This plan redetermines *insured earnings* for each covered person on July 1st . Each July 1st , the *plan sponsor* must report current *insured earnings* for all covered persons under the *plan*. Changes to a covered person's *insured earnings* are subject to any proof of insurability requirements of this *plan*. As of this *plan's* redetermination date, we use a covered person's *insured earnings* on record with us to: (a) set rates; (b) project benefit amounts and limits; and (c) calculate premium payable under this *plan*. However, the covered person must be *actively-at-work* on a full-time basis on that date. If he or she is not, we do not do this until the date he or she returns to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

CGP-3-LTD2K01-4.2

B380.0436

**Income We Integrate With** You may receive, or be entitled to receive, income shown in the list below. We will integrate your *gross monthly benefit* with such income to determine your *monthly benefit* from this *plan*.

- Commissions received, due to be received, or paid after *disability* benefits start. This includes vested and nonvested renewal commissions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group plans of: (1) the *plan sponsor*; or (2) your *employer*. This includes payments made by a group life insurance plan due to your *disability*. This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group plan.
- Income from a sick leave or salary continuance plan. This applies whether such plan is sponsored on a formal or informal basis. This includes lump sum or recurrent payments of accrued sick leave benefits.
- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
  - (a) All disability benefits for which: (i) you are qualified; and (ii) your spouse and children are qualified due to your *disability*;

## To Determine Your Benefit (Cont.)

- (b) All unreduced retirement benefits for which: (i) you are qualified; and (ii) your spouse and children are qualified due to your qualification; and
- (c) all reduced retirement benefits paid to: (i) you; and (ii) your spouse and children due to your receipt of such benefits.

We will integrate your *gross monthly benefit* with such benefits to which your spouse and children are entitled due to your receipt of, or qualification for, disability benefits. We do this without regard to: (a) your marital status; (b) where you live; (c) where your spouse lives; (d) where your child lives; or (e) any custody arrangements made on behalf of your child.

- *Retirement plan retirement benefits* funded for your benefit by: (1) the *plan sponsor*; or (2) your *employer*.
- *Retirement plan disability benefits*.
- *Retirement benefits* or *retirement plan disability benefits*, due to your *disability*, from any *government plan* other than those shown above.
- Disability benefits from any: (1) *no-fault motor vehicle coverage*; (2) *motor vehicle financial responsibility act*; or (3) like law.
- Benefits from: (1) a *Workers' Compensation law*; (2) an *occupational disease law*; or (3) any other act or law of like intent. This includes: (a) the *Jones' Act*; (b) the *Longshoreman's and Harbor Workers' Compensation Act*; or (c) any *Maritime doctrine of Maintenance, Wages or Cure*.
- Disability benefits from any third party when your *disability* is the result of the negligence or intentional tort liability of that third party.
- Payment from your *employer* as part of a termination agreement.

We integrate your *gross monthly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Our right to reduce your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgement, waiver or otherwise shall not negate our right.

CGP-3-LTD2K-4.3

B380.0058

### **Lump Sum Payments Of Other Income**

Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent monthly rate stated in the award into account when we determine your *monthly benefit*. If no monthly rate is given, we pro-rate the lump sum over the lesser of: (a) 60 months; or (b) the *maximum payment period*.

### **Cost Of Living Freeze**

You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your *monthly benefit* by the amount of such increase.

---

## To Determine Your Benefit (Cont.)

**Application For Other Income** You must apply for other income benefits to which you may be entitled. If these benefits are denied, you must appeal until: (a) all possible appeals have been made; or (b) we notify you that no further appeals are required.

If we feel you are entitled to receive such income benefits, we will estimate the amount due to you and your spouse and children. We will take this estimated amount into account when we determine your *monthly benefit*. But, we will not take this estimated amount into account if you sign our reimbursement agreement. In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce your *gross monthly benefit* by an estimated amount, we will adjust your *monthly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid you, we pay the full amount of the underpayment in a lump sum.

We will assist you in applying for other income benefits.

**Minimum Payment** The minimum monthly payment for *disability* under this *plan* is \$100.00.

**Partial Month Payment** You may be *disabled* for only part of a month. In this case, we compute your payment as 1/30th of the benefit to which you would be entitled for the full month times the number of days you are *disabled*. Payment will not be made for more than 30 days in any month.

**Overpayment Recovery** If we overpaid you, you must repay us in full. We have the right to reduce your payment or apply any benefits payable, including the minimum payment, toward recovery of the overpayment.

## If You Work While Disabled

**Income Earned During Disability** Subject to the other terms of this *plan*, if you are working to your *maximum capacity*, income earned during disability is treated as shown below while this *plan* pays benefits. In all cases, your *insured earnings* are adjusted each year by an indexing factor. See the "Indexing" section of this *plan* for how this is done.

1. For each of the first 24 months after you return to work, add your *gross monthly benefit* and your *income earned during disability*.
  - (a) If the sum is not more than 100% of your *insured earnings*, we do not reduce your *monthly benefit* for that month.
  - (b) If the sum is more than 100% of your *insured earnings*, we reduce your *monthly benefit* for that month by the amount over 100% of your *insured earnings*.

## If You Work While Disabled (Cont.)

2. For each month after 24 months of work while *disabled*:
  - (a) If your *income earned during disability* is less than 20% of your *insured earnings*, we do not reduce your *monthly benefit* for that month.
  - (b) If your *income earned during disability* is 20% or more of your *insured earnings*, we reduce your *monthly benefit* for that month by 50% of your *income earned during disability*.

CGP-3-LTD2K01-5.0

B380.0442

**Part-Time Earnings Capacity** If you are able to work *part-time* while *disabled*, but you are not working to your *maximum capacity*, we adjust the *monthly benefit* as follows.

During the *own occupation* period, we reduce your *monthly benefit* by 50% of the income you would currently be able to earn, if working to your *maximum capacity*, in your *own occupation*. After the *own occupation* period, we reduce your *monthly benefit* by 50% of the income you would currently be able to earn, if working to your *maximum capacity*, in any *gainful occupation*.

**Maximum Income Earned During Disability** This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *income earned during disability* is more than 80% of your *insured earnings*, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than 80% of your *insured earnings*.

In all cases, your *insured earnings* are adjusted each year by an indexing factor. See the "Indexing" section of this *plan* for how this is done.

CGP-3-LTD2K01-5.1

B380.0519

**Indexing** If you return to work while *disabled*, we adjust your *insured earnings* each year. We do this by means of an indexing factor. This factor increases the amount of income you may earn and still be considered *disabled*. This adjustment does not increase your *gross monthly benefit*, *monthly benefit*, or any other benefit under this *plan*.

We make the first indexing adjustment after you: (a) have returned to work; and (b) have received 12 monthly payments in a row from this *plan*.

To make the first adjustment, we multiply your *insured earnings* by the indexing factor for that year. To make adjustments in each later year, we multiply the amount of your last indexed *insured earnings* by the indexing factor for the current year.

The indexing factor is the lesser of: (a) 10%; or (b) one-half of the percentage change in the *CPI-W* for the prior calendar year.

## Recurring Disability

Your benefits from this *plan* will end because you cease to be *disabled*. In this case, a later *disability* may be treated as a *recurring disability*. The terms listed below must be met:

- (a) You return to *active work* right after your benefits end;
- (b) Your *disability* recurs less than six months after you were last entitled to benefits;
- (c) Your later *disability* is due to the same cause of, or a cause related to the cause of, your earlier *disability*;
- (d) This *plan* does not end during your return to *active work*;
- (e) You do not become covered under any other similar group income replacement plan during the time you return to *active work*; and
- (f) During the time you return to *active work*, you stay insured by this *plan* and premium payments are made on your behalf.
- (g) Your benefits do not end because you have used up the *maximum payment period*.

Any changes in benefit or the *plan* which take place during your return to *active work*, will not apply to the *recurring disability*.

If the later *disability* is a *recurring disability*, you will not need to complete a new *elimination period* before becoming entitled to benefits. Your claim for *recurring disability* will be subject to the same terms of the *plan* as your earlier *disability*.

## Additional Benefits

CGP-3-LTD2K-7.0

B380.0318

**The Survivor Benefit** We may pay a survivor benefit if you die after you: (a) had been *disabled* for at least six months in a row; and (b) were entitled to receive at least one full *monthly benefit*. When we receive proof of your death, we pay your eligible survivor a lump sum benefit.

We pay a benefit equal to 3 times the amount of your last *monthly benefit* after it is reduced by *income earned during disability*. But, we first apply such benefit to reduce any overpayment you may owe us.

If you have no eligible survivor, no survivor benefit is paid.

Your eligible survivor is your spouse, if living.

If your spouse is not living, your eligible survivor is your: (a) unmarried child under age 20; and (b) unmarried child under age 26 who is enrolled as a full-time student at an accredited school. If there is more than one such child when you die, this benefit will be paid to each child in equal shares.

CGP-3-LTD2K-7.1

B380.0081

**Income Recovery Benefit** This *plan* may pay an Income Recovery Benefit, if *monthly benefits* cease because you are no longer *disabled*.

---

## Additional Benefits (Cont.)

**When And How The Income Recovery Benefit Starts** To be eligible for the Income Recovery Benefit, you must be:

- (a) able to perform the major duties of your *own occupation*; and
- (b) working in your *own occupation* the same number of hours as you did prior to *disability*; and
- (c) unable to earn this *plan's* maximum allowable *income earned during disability*, due to the *sickness or injury* which caused the prior *disability*.

**What We Pay** We pay this benefit monthly, in arrears. We determine the amount we pay in two steps. In step one, we compute the following: (a) your *gross monthly benefit* as of the last month you were *disabled* under the terms of this *plan*; less (b) any other income this *plan* integrates with that you are entitled to receive. In step two we make a current earnings adjustment. We add: (a) your *gross monthly benefit* as of the last month you were *disabled* under the terms of this *plan*; and (b) your current monthly earnings. If such sum exceeds 100% of your *insured earnings*, we pay the amount in step one less the excess over 100%. If such sum does not exceed 100%, we pay the amount in step one.

**When The Income Recovery Benefit Ends** We stop paying this benefit on the earliest of:

- (a) the date you are able to earn this *plan's* maximum allowable *income earned during disability*;
- (b) the date you become *disabled*;
- (c) the date you stop working;
- (d) the date 12 consecutive months after the first Income Recovery Benefit is paid; or
- (e) the end of the *maximum payment period*.

We will not pay more than 12 monthly Income Recovery Benefit payments following any one period of *disability*, including any *recurrent disability*.

## Services Available

**Social Security Assistance** We may feel you are qualified for Social Security disability benefits. If so, we may offer to help you apply for them. If such benefits are under review by Social Security, we may also offer to help you keep them.

We may offer to help:

- (a) Fill out your application for such benefits, and any related forms;
- (b) Find suitable legal counsel; and
- (c) Give medical and vocational data needed to file your claim.

You must apply for all income benefits for which you may be eligible, whether or not you use our help. Using our help does not cancel your duties shown in the "Application for Other Income" section of this *plan*.

## Services Available (Cont.)

### Rehabilitation And Case Management

Case management starts when we are notified of your *disability*.

We will review your *disability* to see if certain services are likely to help you return to *gainful work*. If needed, we may ask for more medical or vocational information.

When our review is complete, we may offer you a *rehabilitation program*. We have the right to suspend or end your *monthly benefit* if you do not accept it.

The *rehabilitation program* will start when a written *rehabilitation agreement* is signed by: (1) you; (2) us; and (3) your *employer*, if needed. The program may include, but is not limited to:

- (a) vocational assessment of your work potential;
- (b) coordination and transition planning with an employer for your return to work;
- (c) consulting with your *doctor* on your return to work and need for accommodations;
- (d) training in job seeking skills and resume preparation;
- (e) retraining;
- (f) child care expense aid; and
- (g) aid in worksite alteration made to comply with the Americans with Disabilities Act. This includes a one-time payment of up to \$2,500.00.

We have the right to determine which services are appropriate.

If you accept the *rehabilitation agreement*, we will pay an enhanced benefit. The enhanced benefit will be 110% of the *monthly benefit* that would otherwise be paid. This enhanced benefit will be payable as of the first *monthly benefit* after the *rehabilitation program* starts.

We stop paying the enhanced benefit on the earliest of:

- (a) The date your benefits from this *plan* end,
- (b) The date you violate the terms of the *rehabilitation agreement*;
- (c) The date you end the *rehabilitation program*; and
- (d) The date the *rehabilitation agreement* ends.

If you end a *rehabilitation program* without our consent, you must repay any enhanced benefits paid.

## Pre-Existing Conditions

### Pre-Existing Conditions

A pre-existing condition is a *sickness* or *injury*, including all related conditions and complications, for which, in the look back period, you:

- (a) receive advice or treatment from a *doctor*;

## Pre-Existing Conditions (Cont.)

---

- (b) take prescribed drugs; or
- (c) receive other medical care or treatment, including consultation with a *doctor*.

You may have been prescribed drugs by a *doctor* for a condition to be taken during the look back period. In that case, such condition or a related condition will be considered pre-existing.

The "look back period" is the three months before the latest of: (a) the effective date of your insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in your benefit election that increases the benefit payable by this *plan*.

A pregnancy that exists on the date your insurance under this *plan* starts is also a pre-existing condition.

No benefits are payable for *disability* due to a pre-existing condition, unless the *disability* starts after you complete at least one full day of *active work* after the date you are insured under this *plan* for 12 months in a row.

You may become *disabled* due to a pre-existing condition after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in your benefit election which increases the benefit payable by this *plan*. In this case, your benefit will be limited to the amount that would have been payable had the change not taken place. This limit does not apply if your *disability* starts after you complete at least one full day of *active work* after the change has been in force for 12 months in a row.

We do not cover any *disability* that starts before your insurance under this *plan*.

CGP-3-LTD2K-9.0

B380.0090

### **Prior Coverage Credit**

If this *plan* replaces a similar income replacement plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to you. This *plan* must start right after the old plan ends.

We credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision. If the old plan did not have a pre-existing condition provision, we credit any time you were covered under the old plan toward meeting this *plan's* pre-existing condition provision. We do this if: (a) you were covered under the old plan when it ended; and (b) you are *actively-at-work* and enroll for insurance on the effective date of this *plan*.

But, we limit the *maximum monthly benefit* under this *plan* if: (a) it is more than the old plan's maximum; (b) you become *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum monthly benefit* to an amount equal to the old plan's maximum.

We deduct all payments made by the old plan under an extension provision.

- (b) service in the armed forces, National Guard, or military reserves of any state or country;
- (c) your taking part in a riot or civil disorder;
- (d) your commission of, or attempt to commit a crime; or
- (e) intentional self-inflicted injuries.

We do not pay any benefits for any period of *disability*:

- (1) during which you are confined to a facility as a result of your conviction of a crime;
- (2) during which you are not receiving regular care by a *doctor*;
- (3) during which you are not receiving medical care appropriate to the cause of your *disability* and any other *sickness* or *injury* which exists during your *disability*;
- (4) which starts before you are insured by this *plan*; or
- (5) during which your loss of earnings is not solely due to your *disability*.

When we compute the change in *CPI-W*, we use the value of the *CPI-W* published in December of that year and the value published in December of the prior year. **Disability Or Disabled** These terms mean you have physical, mental or emotional limits caused by a current *sickness* or *injury*. And, due to these limits, you are not able to perform the major duties of your *own occupation* or any *gainful work* as shown below:

You are not *disabled* if you earn, or are able to earn, more than this *plan's* maximum allowed *income earned during disability*.

You may be required, on average, to work more than 40 hours per week. In this case, you are not *disabled* if you are able to work for 40 hours per week.

Loss of a professional or occupational license will not, in itself, constitute *disability*.

If you become eligible under any other similar group income replacement plan while you are at *active work*, you will not be entitled to benefits from this *plan*.

## ELIGIBILITY FOR DENTAL COVERAGE

### Employee Coverage

---

**Eligible Employees** To be eligible for *employee* coverage you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

**Other Conditions** If you must pay all or part of the cost of *employee* coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we consider you to be a late entrant.

If you initially waived dental coverage under this *plan* because you were covered under another group *plan*, and you now elect to enroll in the dental coverage under this *plan*, the Penalty for Late Entrants provision will not apply to you with regard to dental coverage provided your coverage under the other *plan* ends due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's *plan*; (c) divorce; (d) death of your spouse; or (e) termination of the other *plan*.

But you must enroll in the dental coverage under this *plan* within 30 days of the date that any of the events described above occur.

**Dental Plan Election Procedures** Since Managed DentalGuard is offered to you as an alternative to this dental coverage, you may change your election, and enroll in Managed DentalGuard as follows.

If you drop your coverage under this *plan*, at any time other than during an open enrollment period, you may not enroll in Managed DentalGuard until the open enrollment period which starts at least 12 months after the date coverage is dropped.

If you remain covered under this plan, you may change your election, and enroll in Managed DentalGuard during an open enrollment period. Your coverage under this *plan* ends on the date coverage under Managed DentalGuard begins.

An "open enrollment period" is a 30 day period occurring once every 12 months after this plan's effective date, or at time intervals agreed upon by the *employer* and us.

If you change your election, your covered dependents will automatically be switched to Managed DentalGuard at the same time as you.

**When Your Coverage Starts** *Employee* benefits are scheduled to start on your effective date. But you must be actively at work on a *full-time* basis on the scheduled effective date. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not actively at work on the date your insurance is scheduled to start, we will postpone your coverage until the date you return to active *full-time* work.

Sometimes, your effective date is not a regularly scheduled work day. But coverage will still start on that date if you were actively at work on a *full-time* basis on your last regularly scheduled work day.

CGP-3-EC-90-2.0

B489.0070

**When Your Coverage Ends** Your coverage ends on the last day of the month in which your active *full-time* service ends for any reason, other than disability. Such reasons include retirement, layoff, leave of absence and the end of employment.

Your coverage ends on the date you die.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue certain group benefits for a limited time.

### Your Right To Continue Group Coverage During A Family Leave Of Absence

---

**Important Notice** This section may not apply. You must contact your *employer* to find out if your *employer* must allow for a leave of absence under federal law. In that case the section applies.

**If Your Group Coverage Would End** Group coverage may normally end for an *employee* because he or she ceases work due to an approved leave of absence. But, the *employee* may continue his or her group coverage if the leave of absence has been granted: (a) to allow the *employee* to care for a seriously injured or ill spouse, child, or parent; (b) after the birth or adoption of a child; (c) due to the *employee's* own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the *employee* is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The *employee* will be required to pay the same share of the premium as he or she paid before the leave of absence.

## Your Right To Continue Group Coverage During A Family Leave Of Absence (Cont.)

**When Continuation Ends** Coverage may continue until the earliest of the following:

- The date you return to active work.
- The end of a total leave period of 26 weeks in one 12 month period, in the case of an *employee* who cares for a covered servicemember. This 26 week total leave period applies to all leaves granted to the *employee* under this section for all reasons.
- The end of a total leave period of 12 weeks in: (a) any 12 month period, in the case of any other *employee*; or (b) any later 12 month period in the case of an *employee* who cares for a covered servicemember.
- The date on which your coverage would have ended had you not been on leave.
- The end of the period for which the premium has been paid.

## Dependent Coverage

B200.0271

### Eligible Dependents For Dependent Dental Benefits

Your *eligible dependents* are: (a) your legal spouse; (b) your unmarried dependent children who are under age 26; and (c) your unmarried dependent children from age 26 until their 26th birthday, who are enrolled as full-time students at accredited schools.

An unmarried dependent child who is not able to remain enrolled as a full-time student due to a *medically necessary* leave of absence may continue to be an *eligible dependent* until the earlier of: (a) the date that is one year after the first day of the *medically necessary* leave of absence; or (b) the date on which coverage would otherwise end under this *plan*. You must provide written certification by a treating physician which states that the child is suffering from a serious illness or injury and that the leave of absence is *medically necessary*.

CGP-3-DEP-90-2.0

B489.0301

### Adopted Children And Step-Children

Your "unmarried dependent children" include your legally adopted children and, if they depend on you for most of their support and maintenance, your step-children.

We treat a child as legally adopted from the time the child is placed in your physical custody for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued. We cover your adopted child from the moment of his or her placement if you are already covered for dependent child coverage when the child is placed for adoption. If you do not have dependent coverage when the child is placed for adoption, we cover the child for the first 31 days from the moment of his or her placement. To continue the child's coverage past the 31 days, you must enroll the child and agree to make any required premium payments within 31 days of the date of placement. If you fail to do this, the child's coverage will end at the end of the 31 days. The child won't be covered by this plan again until you enroll the child. Then the child will be covered as of the date you sign the enrollment form and will be a late entrant and subject to any applicable late entrant penalties.

## Dependent Coverage (Cont.)

---

If this plan has pre-existing restrictions, they will not apply to a minor child adopted by you after this plan starts.

**Dependents Not Eligible** We exclude any dependent who is insured by this plan as an employee. And we exclude any dependent who is on active duty in any armed force.

CGP-3-DEP-90-3.1

B489.0231

**Handicapped Children** You may have an unmarried child with a mental or physical handicap, or developmental disability, who can't support himself or herself. Subject to all of the terms of this coverage and the *plan*, such a child may stay eligible for dependent benefits past this coverage's age limit.

The child will stay eligible as long as he or she stays unmarried and unable to support himself or herself, if: (a) his or her conditions started before he or she reached this coverage's age limit; (b) he or she became insured by this coverage before he or she reached the age limit, and stayed continuously insured until he or she reached such limit; and (c) he or she depends on you for most of his or her support and maintenance.

But, for the child to stay eligible, you must send us written proof that the child is handicapped and depends on you for most of his or her support and maintenance. You have 31 days from the date the child reaches the age limit to do this. We can ask for periodic proof that the child's condition continues. But, after two years, we can't ask for this proof more than once a year.

The child's coverage ends when yours does.

CGP-3-DEP-90-4.0

B449.0042

**Waiver Of Dental Late Entrants Penalty** If you initially waived dental coverage for your spouse or eligible dependent children under this plan because they were covered under another group plan, and you now elect to enroll them in the dental coverage under this plan, the Penalty for Late Entrants provision will not apply to them with regard to dental coverage provided their coverage under the other plan ends due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's plan; (c) divorce; (d) death of your spouse; or (e) termination of the other plan.

But you must enroll your spouse or eligible dependent children in the dental coverage under this plan within 30 days of the date that any of the events described above occur.

In addition, the Penalty for Late Entrants provision for dental coverage will not apply to your spouse or eligible dependent children if: (a) you are under legal obligation to provide dental coverage due to a court-order; and (b) you enroll them in the dental coverage under this plan within 30 days of the issuance of the court-order.

CGP-3-DEP-90-5.0

**When Dependent Coverage Starts** In order for your dependent coverage to begin you must already be insured for employee coverage or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll your *initial dependents* and agree to make any required payments.

## Dependent Coverage (Cont.)

---

If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of the first of the month which coincides with or next follows your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the later of the first of the month which coincides with or next follows the date you sign the enrollment form; and the date you become insured for employee coverage.

If you do this after the *enrollment period* ends, each of your *initial dependents* is a late entrant and is subject to any applicable late entrant penalties. The dependent's coverage is scheduled to start on the first of the month which coincides with or next follows the date you sign the enrollment form.

Once you have dependent coverage for your *initial dependents*, you must notify us when you acquire any new dependents and agree to make any additional payments required for their coverage.

If you do this within 31 days of the date the *newly acquired dependent* becomes eligible, the dependent's coverage will start on the date the dependent first becomes eligible. If you fail to notify us on time, the *newly acquired dependent*, when enrolled, is a late entrant and is subject to any applicable late entrant penalties. The late entrant's coverage is scheduled to start on the date you sign the enrollment form.

CGP-3-DEP-90-6.0

B489.0055

**Exception** If a dependent, other than a newborn child, is confined to a *hospital* or other health care facility; or is home-confined; or is unable to carry out the normal activities of someone of like age and sex on the date his dependent benefits would otherwise start, we will postpone the effective date of such benefits until the day after his discharge from such facility; until home confinement ends; or until he resumes the normal activities of someone of like age and sex.

CGP-3-DEP-90-7.0

B200.0692

**Newborn Children** We cover your newborn child from the moment of birth if you are already covered for dependent child coverage when the child is born. If you do not have dependent coverage when the child is born, we cover the child for the first 31 days from the moment of his or her birth. To continue the child's coverage past the 31 days, you must enroll the child and agree to make any required premium payments within 31 days of the date the child is born. If you fail to do this, the child's coverage will end at the end of the 31 days. The child won't be covered by this plan again until you enroll the child. Then the child will be covered as of the date you sign the enrollment form and will be a late entrant and subject to any applicable late entrant penalties.

## Dependent Coverage (Cont.)

---

**When Dependent Coverage Ends** Dependent coverage ends for all of your dependents when your coverage ends. But if you die while insured, we'll automatically continue dependent benefits for those of your dependents who were insured when you died. We'll do this for six months at no cost, provided: (a) the group plan remains in force; (b) the dependents remain *eligible dependents*; and (c) in the case of a spouse, the spouse does not remarry.

If a surviving dependent elects to continue his or her dependent benefits under this *plan's* "Federal Continuation Rights" provision, or under any other continuation provision of this *plan*, if any, this free continuation period will be provided as the first six months of such continuation. Premiums required to be paid by, or on behalf of a surviving dependent will be waived for the first six months of continuation, subject to restrictions (a), (b) and (c) above. After the first six months of continuation, the remainder of the continuation period, if any, will be subject to the premium requirements, and all of the terms of the "Federal Continuation Rights" or other continuation provisions.

Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay all or part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an *eligible dependent*. This happens to a child at 12:01 a.m. on the date the child attains this coverage's age limit, when he or she marries, or when a step-child is no longer dependent on you for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment.

Read this *plan* carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time.

## CERTIFICATE AMENDMENT

---

Effective January 1, 2008, this rider amends the dependent coverage provisions as follows:

Your domestic partner will be eligible for coverage under this plan subject to all of the terms of this plan and the limitations below. "Domestic partner" means an adult who has chosen to share his or her life with you in an intimate and committed relationship of mutual caring.

To qualify for such coverage, you and your domestic partner must be either:

- (a) registered domestic partners; or
- (b) non-registered domestic partners.

As used here:

"Registered domestic partners" means an employee and his or her domestic partner who: (a) have filed a Declaration of Domestic Partnership with the California Secretary of State; (b) were registered as a domestic partner in the registry for those partnerships; and (c) were issued a copy of the registered form and a Certificate of Registered Domestic Partnership.

"Non-registered domestic partners" means an employee and his or her domestic partner who:

- are 18 years of age or older;
- are unmarried, constitute each other's sole domestic partner, and have not had another domestic partner in the last 12 months;
- share the same permanent address for at least 12 consecutive months and intend to do so indefinitely;
- share joint financial responsibility for basic living expenses including food, shelter and medical expenses;
- are not related by blood to a degree that would prohibit marriage in the employee's state of residence; and

## Certificate Amendment (Cont.)

---

- are financially interdependent which must be demonstrated by at least four of the following:
  - a. ownership of a joint bank account;
  - b. ownership of a joint credit account;
  - c. evidence of a joint mortgage or lease;
  - d. evidence of joint obligation on a loan;
  - e. joint ownership of a residence;
  - f. evidence of common household expenses such as utilities or telephone
  - g. execution of wills naming each other as executor and/or beneficiary;
  - h. granting each other durable powers of attorney;
  - i. granting each other health care powers of attorney;
  - j. designation of each other as beneficiary under a retirement benefit account; or
  - k. evidence of other joint financial responsibility.

Your registered domestic partner, or non-registered domestic partner, will be eligible for dental coverage under this plan.

To cover your non-registered domestic partner, you must complete a "Declaration of Domestic Partnership" attesting to the relationship and forward it to us.

A registered or non-registered domestic partner's dependent children will be eligible for coverage under this plan on the same basis as if the children were your dependent children.

Coverage for a registered domestic partner and his or her dependent children ends when the domestic partnership is dissolved as provided under California law.

Coverage for a non-registered domestic partner and his or her dependent children ends when the domestic partner no longer meets the qualifications of a non-registered domestic partner as described above. Upon termination of a non-registered domestic partnership, a "Statement of Termination" must be completed and filed with the employer. Once you submit a "Statement of Termination", you may not enroll another non-registered domestic partner for a period of 12 months from the date of the previous termination.

A non-registered domestic partner and his or her children will not be eligible for:

- (a) survivor benefits upon your death as explained under the "When Dependent' Coverage Ends" section;
- (b) continuation of dental coverage as explained under the "Federal Continuation Rights" section and under any other continuation rights section of this plan, unless you are also eligible for and elect continuation.

## Certificate Amendment (Cont.)

---

A registered domestic partner will have all of the rights of a spouse under this plan except that the continuation of dental coverage as explained under the "Federal Continuation Rights" section is available to a registered domestic partner and his or her children only if you are also eligible for and elect continuation.

This rider is a part of this plan. Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this plan.

Once each year, during the group enrollment period, you may elect to enroll in one of the dental expense *plan* options offered by your employer. The group enrollment period is a time period agreed to by your employer and us. Coverage starts on the first day of the month that next follows the date of enrollment. You and your eligible dependents are not subject to late entrant penalties if they enroll during the group enrollment period.

Once each year, during a special election period you may select to transfer to another dental expense plan option offered by your employer. The special election period is a time period agreed to by your employer and us. Coverage under the new plan option starts of the first day of the month that follows election. ## DENTAL EXPENSE INSURANCE

This insurance will pay many of a *covered person's* dental expenses. We pay benefits for covered charges incurred by a *covered person*. What we pay and terms for payment are explained below.

### DentalGuard Preferred - This Plan's Dental Preferred Provider Organization

---

This *plan* is designed to provide high quality dental care while controlling the cost of such care. To do this, the *plan* encourages a *covered person* to seek dental care from *dentists* and dental care facilities that are under contract with *Guardian's dental preferred provider organization (PPO)*, which is called DentalGuard Preferred.

The dental PPO is made up of *preferred providers* in a covered person's geographic area. Use of the dental PPO is voluntary. A *covered person* may receive dental treatment from any dental provider he or she chooses. And he or she is free to change providers anytime.

This *plan* usually pays a higher level of benefits for covered treatment furnished by a *preferred provider*. Conversely, it usually pays less for covered treatment furnished by a *non-preferred provider*.

When an *employee* enrolls in this *plan*, he or she and his or her dependents receive a dental plan ID card and information about current *preferred providers*.

A *covered person* must present his or her ID card when he or she uses a *preferred provider*. Most *preferred providers* prepare necessary claim forms for the *covered person*, and submit the forms to us. We send the *covered person* an explanation of this *plan's* benefit payments, but any benefit payable by us is sent directly to the *preferred provider*.

What we pay is based on all of the terms of this *plan*. Please read this *plan* carefully for specific benefit levels, deductibles, *payment rates* and *payment limits*.

A *covered person* may call the Guardian at the number shown on his or her ID card should he or she have any questions about this *plan*.

### Covered Charges

---

Whether a *covered person* uses the services of a *preferred provider* or a *non-preferred provider*, covered charges are the charges listed in the fee schedule the *preferred provider* has agreed to accept as payment in full, for the dental services listed in this *plan's* List of Covered Dental Services.

To be covered by this *plan*, a service must be: (a) necessary; (b) appropriate for a given condition; and (c) included in the List of Covered Dental Services.

---

## Covered Charges (Cont.)

We may use the professional review of a *dentist* to determine the appropriate benefit for a dental procedure or course of treatment.

When certain comprehensive dental procedures are performed, other less extensive procedures may be performed prior to, at the same time or at a later date. For benefit purposes under this *plan*, these less extensive procedures are considered to be part of the more comprehensive procedure. Even if the *dentist* submits separate bills, the total benefit payable for all related charges will be limited to the maximum benefit payable for the more comprehensive procedure. For example, osseous surgery includes the procedure scaling and root planing. If the scaling and root planing is performed one or two weeks prior to the osseous surgery, we may only pay benefits for the osseous surgery.

We only pay benefits for covered charges incurred by a *covered person* while he or she is insured by this *plan*. A covered charge for a crown, bridge or cast restoration is incurred on the date the tooth is initially prepared. A covered charge for any other *dental prosthesis* is incurred on the date the first master impression is made. A covered charge for root canal treatment is incurred on the date the pulp chamber is opened. All other covered charges are incurred on the date the services are furnished. If a service is started while a *covered person* is insured, we'll only pay benefits for services which are completed within 31 days of the date his or her coverage under this *plan* ends.

CGP-3-DGY2K-CC

B498.0062

---

## Alternate Treatment

If more than one type of service can be used to treat a dental condition, we have the right to base benefits on the least expensive service which is within the range of professionally accepted standards of dental practice as determined by *us*. For example, in the case of bilateral multiple adjacent teeth, or multiple missing teeth in both quadrants of an arch, the benefit will be based on a removable partial denture. In the case of a composite filling on a *posterior tooth*, the benefit will be based on the corresponding amalgam filling benefit.

---

## Proof Of Claim

So that we may pay benefits accurately, the *covered person* or his or her *dentist* must provide *us* with information that is acceptable to *us*. This information may, at *our* discretion, consist of radiographs, study models, periodontal charting, narratives or other diagnostic materials that document *proof of claim* and support the necessity of the proposed treatment. If we don't receive the necessary information, we may pay no benefits, or minimum benefits. However, if we receive the necessary information within 15 months of the date of service, we will redetermine the *covered person's* benefits based on the new information.

CGP-3-DGY2K-AT

B498.0002

---

## Pre-Treatment Review

When the expected cost of a proposed course of treatment is \$300.00 or more, the *covered person's dentist* should send us a treatment plan before he or she starts. This must be done on a form acceptable to *Guardian*. The treatment plan must include: (a) a list of the services to be done, using the American Dental Association Nomenclature and codes; (b) the itemized cost of each service; and (c) the estimated length of treatment. In order to evaluate the treatment plan, dental radiographs, study models and whatever else will document the necessity of the proposed course of treatment, must be sent to *us*.

We review the treatment plan and estimate what we will pay. We will send the estimate to the covered person and/or the covered person's dentist. If the treatment plan is not consistent with accepted standards of dental practice, or if one is not sent to us, we have the right to base our benefit payments on treatment appropriate to the covered person's condition using accepted standards of dental practice.

The covered person and his or her dentist have the opportunity to have services or a treatment plan reviewed before treatment begins. Pre-treatment review is not a guarantee of what we will pay. It tells the covered person, and his or her dentist, in advance, what we would pay for the covered dental services listed in the treatment plan. But, payment is conditioned on: (a) the services being performed as proposed and while the covered person is insured; and (b) the deductible, payment rate and payment limits provisions, and all of the other terms of this plan.

Emergency treatment, oral examinations, evaluations, dental radiographs and teeth cleaning are part of a course of treatment, but may be done before the pre-treatment review is made.

We won't deny or reduce benefits if pre-treatment review is not done. But what we pay will be based on the availability and submission of proof of claim.

## Benefits From Other Sources

Other plans may furnish benefits similar to the benefits provided by this *plan*. For instance, you may be covered by this *plan* and a similar plan through your spouse's employer. You may also be covered by this *plan* and a medical plan. In such instances, we coordinate *our* benefits with the benefits from that other plan. *We* do this so that no one gets more in benefits than the charges he or she incurs. Read "Coordination of Benefits" to see how this works.

Charges for the services we don't cover under this provision are not considered to be covered charges under this *plan*, and therefore can't be used to meet this *plan's* deductibles.

We don't apply a late entrant penalty to covered charges incurred for services needed solely due to an *injury* suffered by a *covered person* while insured by this *plan*.

A late entrant is a person who: (a) becomes covered by this dental *plan* more than 31 days after he or she is eligible; or (b) becomes covered again, after his or her coverage lapsed because he or she did not make required payments.

### How We Pay Benefits For Group I, II And III Non-Orthodontic Services

There is no deductible for Group I services. We pay for Group I covered charges at the applicable *payment rate*.

A *benefit year* deductible of \$50.00 applies to Group II and III services. Each *covered person* must have covered charges from these service groups which exceed the deductible before we pay him or her any benefits for such charges. These charges must be incurred while the *covered person* is insured.

Once a *covered person* meets the deductible, we pay for his or her Group II and III covered charges above that amount at the applicable *payment rate* for the rest of that *benefit year*.

CGP-3-DGY2K-BP-07

B498.3656

All covered charges must be incurred while insured. We limit what we pay each *benefit year* to \$1,500.00. What we pay for Group I Services is not subject to, nor applied toward, the *benefit year payment limit* shown in the schedule but subject to all of the other terms of this plan.

## **Rollover of Benefit Year Payment Limit for Group I, II and III Non-Orthodontic Services**

---

A *covered person* may be eligible for a rollover of a portion of his or her unused *benefit year* payment limit for Group I, II and III Non-Orthodontic Services, as follows:

If a *covered person* submits at least one claim for covered charges during a *benefit year* and, in that *benefit year*, receives benefits that are in excess of any deductible or co-pay fees, and that, in total, do not exceed the *Rollover Threshold*, he or she may be entitled to a *Reward*.

Note: If all of the benefits that a *covered person* receives in a *benefit year* are for services provided by a *preferred provider*, he or she may be entitled to a greater *Reward* than if any of the benefits are for services of a *non-preferred provider*.

*Rewards* can accrue and are stored in the *covered person's Bank*. If a *covered person* reaches his or her *benefit year* payment limit for Group I, II and III Non-Orthodontic Services, we pay benefits up to the amount stored in the *covered person's Bank*. The amount of *Reward* stored in the *Bank* may not be greater than the *Bank Maximum*.

A *covered person's Bank* may be eliminated, and the accrued *Reward* lost, if he or she has a break in coverage of any length of time, for any reason.

The amounts of this *plan's Rollover Threshold, Reward, and Bank Maximum* are:

- *Rollover Threshold* . . . . . \$700.00
- *Reward* (if all benefits are for services provided by a *preferred provider*) . . . . . \$500.00
- *Reward* (if any benefits are for services provided by a *non-preferred provider*) . . . . . \$350.00
- *Bank Maximum* . . . . . \$1,250.00

If this *plan's* dental coverage first becomes effective in October, November or December, this rollover provision will not apply until January 1 of the first full *benefit year*. And, if the effective date of a *covered person's* dental coverage is in October, November or December, this rollover provision will not apply to the covered person until January 1 of the next full *benefit year*. In either case:

- only claims incurred on or after January 1 will count toward the *Rollover Threshold*; and
- *Rewards* will not be applied to a *covered person's Bank* until the *benefit year* that starts one year from the date the rollover provision first applies.

If charges for any dental services are not payable for a *covered person* for a period set forth in the provision of this *plan* called Penalty for Late Entrants and Waiting Periods for Certain Services, this rollover provision will not apply to the *covered person* until the end of such period. And, if such period ends within the three months prior to the start of this *plan's* next *benefit year*, this rollover provision will not apply to the *covered person* until the next *benefit year*, and:

## Rollover of Benefit Year Payment Limit for Group I, II and III Non-Orthodontic Services (Cont.)

---

- only claims incurred on or after the start of the next *benefit year* will count toward the *Rollover Threshold*; and
- *Rewards* will not be applied to a *covered person's Bank* until the *benefit year* that starts one year from the date the rollover provision first applies.

Definitions of terms used in this provision:

*"Bank"* means the amount of a *covered person's* accrued *Reward* .

*"Bank Maximum"* means the maximum amount of *Reward* that a *covered person* can store in his or her *Bank*.

*"Reward"* means the dollar amount which may be added to a *covered person's Bank* when he or she receives benefits in a *benefit year* that do not exceed the *Rollover Threshold*.

*"Rollover Threshold"* means the maximum amount of benefits that a *covered person* can receive during a *benefit year* and still be entitled to receive a *Reward*.

---

### Employee Vision Care Expense Coverage

---

**Eligible Employees** To be eligible for employee coverage under this *plan*, you must be an active *full-time employee*. And you must belong to a class of employees covered by this *plan*.

**Other Conditions** You must enroll and agree to make required payments within 31 days of your *eligibility date*. If you fail to do so, you can't enroll until this *plan's* next vision open enrollment period.

This *plan's* vision open enrollment period occurs from June 1st to June 30th of each year.

Once you enroll in this *plan*, you can't drop your vision coverage until this *plan's* next vision open enrollment period. And if you drop your vision coverage, you can't enroll again until the next vision open enrollment period.

If you initially waived vision coverage under this *plan* because you were covered for vision care benefits under another group plan, and you wish to enroll in this *plan* because your coverage under the other plan ends, you may do so without waiting until the next vision open enrollment period. However, your coverage under the other plan must have ended due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's plan; (c) divorce; (d) death of your spouse; or (e) termination of the other plan. But you must enroll in this *plan* within 30 days of the date that any of these events occur.

CGP-3-EC-90-1.0

**When Your Coverage Starts** Your coverage under this *plan* is scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet. But you must be actively at work on a *full-time* basis on that date. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not actively at work on that date, we will postpone your coverage until the date you return to active *full-time* work.

Sometimes, the effective date shown on the sticker is not a regularly scheduled work day. But your coverage will still start on that date if you were actively at work on your last regularly scheduled work day.

CGP-3-EC-90-2.0

B505.0075

**When Your Coverage Ends** Your coverage under this *plan* ends on the last day of the month in which your active *full-time* service ends for any reason. Such reasons include disability, retirement, layoff, leave of absence and the end of employment.

Your coverage ends on the date you die.

It also ends on the date you stop being a member of a class of employees eligible for insurance under this plan, or when this plan ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

## Employee Vision Care Expense Coverage (Cont.)

---

If you are required to pay part of the cost of this *plan* and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue vision care benefits for a limited time.

## Dependent Vision Care Expense Coverage

CGP-3-DEP-90-1.0

B505.0099

### **Eligible Dependents For Dependent Vision Care Benefits**

Your *eligible dependents* are: (a) your legal spouse; (b) your unmarried dependent children who are under age 26; and (c) your unmarried dependent children from age 26 until their 26 birthday, who are enrolled as full-time students at accredited schools.

An unmarried dependent child who is not able to remain enrolled as a full-time student due to a *medically necessary* leave of absence may continue to be an *eligible dependent* until the earlier of: (a) the date that is one year after the first day of the *medically necessary* leave of absence; or (b) the date on which coverage would otherwise end under this *plan*. You must provide written certification by a treating physician which states that the child is suffering from a serious illness or injury and that the leave of absence is *medically necessary*.

CGP-3-DEP-90-2.0

B505.0782

### **Adopted Children And Step-Children**

Your "unmarried dependent children" include your legally adopted children and, if they depend on you for most of their support and maintenance, your step-children.

## Dependent Coverage (Cont.)

---

We treat a child as legally adopted from the time the child is placed in your physical custody for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued. We cover your adopted child from the moment of his or her placement if you are already covered for dependent child coverage when the child is placed for adoption. If you do not have dependent coverage when the child is placed for adoption, we cover the child for the first 31 days from the moment of his or her placement. To continue the child's coverage past the 31 days, you must enroll the child and agree to make any required premium payments within 31 days of the date of placement. If you fail to do this, the child's coverage will end at the end of the 31 days, and the child cannot be enrolled for this coverage until the plan's next open enrollment period.

**Dependents Not Eligible** We exclude any dependent who is insured by this plan as an employee. And we exclude any dependent who is on active duty in any armed force.

CGP-3-DEP-90-3.1

B505.0537

**Handicapped Children** You may have an unmarried child with a mental or physical handicap, or developmental disability, who can't support himself. Subject to all of the terms of this section and the *plan*, such a child may stay eligible for dependent vision care benefits past this *plan's* age limit.

The child will stay eligible as long as he stays unmarried and unable to support himself, if: (a) his conditions started before he reached this *plan's* age limit; (b) he became insured by this *plan* before he reached the age limit, and stayed continuously insured until he reached such limit; and (c) he depends on you for most of his support and maintenance.

But, for the child to stay eligible, you must send us written proof that the child is handicapped and depends on you for most of his support and maintenance. You have 31 days from the date the child reaches the age limit to do this. We can ask for periodic proof that the child's condition continues. But, after two years, we can't ask for this proof more than once a year.

The child's coverage ends when yours does.

CGP-3-DEP-90-4.0

B505.0119

**When Dependent Coverage Starts** In order for your dependent coverage to begin, you must already be insured for employee coverage, or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll all of your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, your dependent coverage is scheduled to start on the later of the date you sign the enrollment form and the date you become covered for employee coverage.

If you do this after the *enrollment period* ends, you can't enroll your *initial dependents* until the next vision open enrollment period.

## Dependent Vision Care Expense Coverage (Cont.)

---

Once you have coverage for your *initial dependents*, you must notify us when you acquire any new dependents, and agree to make any additional payments required for the coverage. If you do this within 31 days of the date the *newly acquired dependent* becomes eligible, the dependent's coverage will start on the date the dependent becomes eligible. If you fail to notify us on time, you can't enroll the *newly acquired dependent* until the next vision open enrollment period.

Once a dependent is enrolled for vision care expense insurance, the coverage can't be dropped until the next vision open enrollment period. And once coverage is dropped for a dependent, the dependent can't be enrolled again until the next vision open enrollment period.

CGP-3-DEP-90-6.0

B505.0130

**Exception** If a dependent, other than a newborn child, is confined to a hospital or other health care facility; or is home-confined; or is unable to carry out the normal activities of someone of like age and sex on the date his dependent benefits would otherwise start, we will postpone the effective date of such benefits until the day after his discharge from such facility; until home confinement ends; or until he resumes the normal activities of someone of like age and sex.

CGP-3-DEP-90-7.0

B505.0132

**Newborn Children** We cover your newborn child from the moment of birth if you are already covered for dependent child coverage when the child is born. If you do not have dependent coverage when the child is born, we cover the child for the first 31 days from the moment of his or her birth. To continue the child's coverage past the 31 days, you must enroll the child and agree to make any required premium payments within 31 days of the date the child is born. If you fail to do this, the child's coverage will end at the end of the 31 days, and the child cannot be enrolled for this coverage until the plan's next open enrollment period.

CGP-3-DEP-90-8.0

B505.0538

**When Dependent Coverage Ends** Dependent coverage ends for all of your dependents when your employee coverage ends. But if you die while insured, we'll automatically continue dependent vision care benefits for those of your dependents who are insured when you die. We'll do this for six months at no cost, provided: (a) the group *plan* remains in force; (b) the dependents remain *eligible dependents*; and (c) in the case of a spouse, the spouse does not remarry.

If a surviving dependent elects to continue his dependent vision care benefits under this *plan's* "Federal Continuation Rights" provision, or under any other continuation provision of this *plan*, if any, this free continuation period will be provided as the first six months of such continuation. Premiums required to be paid by, or on behalf of a surviving dependent will be waived for the first six months of continuation, subject to restrictions (a), (b) and (c) above. After the first six months of continuation, the remainder of the continuation period, if any, will be subject to the premium requirements, and all of the terms of the "Federal Continuation Rights" or other continuation provisions.

## Dependent Vision Care Expense Coverage (Cont.)

---

Dependent coverage also ends for all of your dependents when you stop being a member of a class of employees eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all employees or for an *employee's* class.

If you are required to pay part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an *eligible dependent*. This happens to a child at 12:01 a.m. on the date the child attains this *plan's* age limit, when he marries, or when a step-child is no longer dependent on the *employee* for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment.

Read this *plan* carefully if dependent coverage ends for any reason. Dependents may have the right to continue vision care benefits for a limited time.

## CERTIFICATE AMENDMENT

---

Effective January 1, 2008, this rider amends the dependent coverage provisions as follows:

Your domestic partner will be eligible for coverage under this plan subject to all of the terms of this plan and the limitations below. "Domestic partner" means an adult who has chosen to share his or her life with you in an intimate and committed relationship of mutual caring.

To qualify for such coverage, you and your domestic partner must be either:

- (a) registered domestic partners; or
- (b) non-registered domestic partners.

As used here:

"Registered domestic partners" means an employee and his or her domestic partner who: (a) have filed a Declaration of Domestic Partnership with the California Secretary of State; (b) were registered as a domestic partner in the registry for those partnerships; and (c) were issued a copy of the registered form and a Certificate of Registered Domestic Partnership.

"Non-registered domestic partners" means an employee and his or her domestic partner who:

- are 18 years of age or older;
- are unmarried, constitute each other's sole domestic partner, and have not had another domestic partner in the last 12 months;
- share the same permanent address for at least 12 consecutive months and intend to do so indefinitely;
- share joint financial responsibility for basic living expenses including food, shelter and medical expenses;
- are not related by blood to a degree that would prohibit marriage in the employee's state of residence; and

## Certificate Amendment (Cont.)

---

- are financially interdependent which must be demonstrated by at least four of the following:
  - a. ownership of a joint bank account;
  - b. ownership of a joint credit account;
  - c. evidence of a joint mortgage or lease;
  - d. evidence of joint obligation on a loan;
  - e. joint ownership of a residence;
  - f. evidence of common household expenses such as utilities or telephone
  - g. execution of wills naming each other as executor and/or beneficiary;
  - h. granting each other durable powers of attorney;
  - i. granting each other health care powers of attorney;
  - j. designation of each other as beneficiary under a retirement benefit account; or
  - k. evidence of other joint financial responsibility.

Your registered domestic partner, or non-registered domestic partner, will be eligible for vision coverage under this plan.

To cover your non-registered domestic partner, you must complete a "Declaration of Domestic Partnership" attesting to the relationship and forward it to us.

A registered or non-registered domestic partner's dependent children will be eligible for coverage under this plan on the same basis as if the children were your dependent children.

Coverage for a registered domestic partner and his or her dependent children ends when the domestic partnership is dissolved as provided under California law.

Coverage for a non-registered domestic partner and his or her dependent children ends when the domestic partner no longer meets the qualifications of a non-registered domestic partner as described above. Upon termination of a non-registered domestic partnership, a "Statement of Termination" must be completed and filed with the employer. Once you submit a "Statement of Termination", you may not enroll another non-registered domestic partner for a period of 12 months from the date of the previous termination.

A non-registered domestic partner and his or her children will not be eligible for:

- (a) survivor benefits upon your death as explained under the "When Dependent' Coverage Ends" section;
- (b) continuation of vision coverage as explained under the "Federal Continuation Rights" section and under any other continuation rights section of this plan, unless you are also eligible for and elect continuation.

## Certificate Amendment (Cont.)

---

A registered domestic partner will have all of the rights of a spouse under this plan except that the continuation of vision coverage as explained under the "Federal Continuation Rights" section is available to a registered domestic partner and his or her children only if you are also eligible for and elect continuation.

This rider is a part of this plan. Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this plan.

### Vision Service Plan - This Plan's Vision Care Preferred Provider Organization

---

**Vision Service Plan** This *plan* is designed to provide high quality vision care while controlling the cost of such care. To do this, the *plan* encourages a *covered person* to seek vision care from doctors and vision care facilities that belong to Vision Service Plan (VSP), a vision care *preferred provider* organization (PPO).

This vision care PPO is made up of *preferred providers* in a *covered person's* geographic area. A vision care *preferred provider* is a vision care practitioner or a vision care facility that: (a) is a current provider of VSP; and (b) has a participatory agreement in force with VSP.

Use of the vision care PPO is voluntary. A *covered person* may receive vision care from any vision care provider. And, he or she is free to change providers at any time. But, this *plan* usually pays more in benefits for covered services furnished by a vision care *preferred provider*. Conversely, it usually pays less for covered services not furnished by a vision care *preferred provider*.

When an *employee* and his or her dependents enroll in this *plan*, they will get an enrollment packet which will tell them how to obtain benefits and information about current vision care *preferred providers*.

What we pay is based on all the terms of this *plan*. The *covered person* should read this material with care, and have it available when seeking vision care. Read this *plan* carefully for specific benefit levels, *copayments*, *deductibles*, payment rates and payment limits.

The *covered person* can call VSP if he or she has any questions after reading this material.

**Choice Of Preferred Providers** When a person becomes enrolled in this *plan*, he or she will receive a list of VSP *preferred providers* in his or her area. A *covered person* may receive vision services from any VSP *preferred provider*.

**Replacement Of Preferred Provider** If a *preferred provider* terminates his or her relationship with VSP for any reason, VSP shall be responsible for furnishing vision services to *covered persons* either through that provider or through another VSP *preferred provider*.

**Vision Service Plan**

**This Plan's Vision Care Preferred Provider Organization (Cont.)**

---

**Pre-Authorization Of Preferred Provider Services** When a *covered person* desires to receive treatment from a *preferred provider*, the *covered person* must contact the *preferred provider* BEFORE receiving treatment. The *preferred provider* will contact VSP to verify the *covered person's* eligibility and VSP will notify the *preferred provider* of the 60 day time period during which the *covered person* may schedule an appointment. If the *covered person* cancels an appointment and reschedules it, it must be done within those 60 days. If the appointment is not rescheduled during the previously approved time period, the *covered person* must contact the *preferred provider* again to receive authorization.

What we pay is subject to all the terms of this *plan*.

CGP-3-VSN-96-PPOA

B505.0009

**Pre-Treatment Review For Necessary Contact Lenses** Subject to prior approval by VSP consultants, we will pay benefits for Necessary Contact Lenses provided to a *covered person*. A *covered person's* doctor must request approval for Necessary Contact Lenses from VSP.

No benefits will be paid for Necessary Contact Lenses if prior approval is not received from VSP.

What we pay for Necessary Contact Lenses is subject to all of the terms of this *plan*.

CGP-3-VSN-96-PTR2

B505.0014

**Claim Appeals And Arbitration Of Disputes** If, under the provisions of this *plan*, a claim for benefits is denied in whole or in part, a request, in writing, may be submitted to VSP for a full review of the denial.

The written request must be made to the Plan Administrator within 60 days following the denial of benefits. The request should contain sufficient information to identify the *covered person* whose benefits were denied. This includes the name of the *covered person*, the *employee's* social security number and the *employee's* date of birth. The *covered person* may state the reasons he or she believes that the denial of the claim was in error and may provide any pertinent documents which he or she wishes to be reviewed. The Plan Administrator will review the claim and give the *covered person* the opportunity to review pertinent documents, submit any statements, documents or written arguments in support of the claim, and appear personally to present materials or arguments. The determination of the Plan Administrator, including specific reasons for the decision, shall be provided and communicated to the *covered person* in writing within one hundred twenty (120) days after receipt of a request to review.

Any dispute or question arising between VSP and any *covered person* involving the application, interpretation or performance under this *plan* shall be settled, if possible, by amicable and informal negotiations, allowing such opportunity as may be appropriate under the circumstances for fact finding and mediation. If any issue cannot be resolved in this fashion, it may be submitted to arbitration, if both parties agree.

The procedure for arbitration shall be conducted pursuant to the rules of the American Arbitration Association.

**Preferred Provider Grievance Procedures** Grievances are handled by VSP's Professional Relations Vice President for action. The grievance process is designed to address *covered persons'* concerns quickly and satisfactorily. The following grievance procedures have been established:

- (1) The patient's written complaint will be referred to VSP's Professional Relations Vice President for action.
- (2) The complaint will be evaluated and, if deemed appropriate, the original examining doctor will be contacted.
- (3) If the complaint can be resolved within fifteen (15) days, the disposition of the complaint will be forwarded to the *covered person*. Otherwise, a notice of receipt of the complaint will be forwarded to the *covered person* advising the time for resolution.
- (4) Grievance procedures and complaint forms will be maintained in each *preferred provider's* office.
- (5) All complaints will be retained in the Professional Relations Department.

Complaints and grievances may be sent to the Professional Relations Vice President at:

## COORDINATION OF BENEFITS

---

**Important Notice** This section applies to all group health benefits under this plan; except prescription drug and vision coverage, if any. It does not apply to any death, dismemberment, or loss of income benefits that may be provided under this plan.

**Purpose** When a covered person has health care coverage under more than one plan, this section allows this plan to coordinate what it pays with what other plans pay. This is done so that the covered person does not collect more in benefits than he or she incurs in charges.

---

### Definitions

**Allowable Expense** This term means any necessary, reasonable, and customary item of health care expense that is covered, at least in part, by any of the plans which cover the person. This includes: (a) deductibles; (b) coinsurance; and (c) copayments. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered an allowable expense and a benefit paid.

An expense or service that is not covered by any of the plans is **not** an allowable expense. Examples of other expenses or services that are **not** allowable expenses are:

- (1) If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is **not** an allowable expense. This does not apply if: (a) the stay in the private room is medically necessary in terms of generally accepted medical practice; or (b) one of the plans routinely provides coverage for private hospital rooms.
- (2) The amount a benefit is reduced by the primary plan because a person does not comply with the plan's provisions is **not** an allowable expense. Examples of these provisions are: (a) precertification of admissions and procedures; (b) continued stay reviews; and (c) preferred provider arrangements.
- (3) If a person is covered by two or more plans that compute their benefit payments on the basis of reasonable and customary charges, any amount in excess of the primary plan's reasonable and customary charges for a specific benefit is **not** an allowable expense.
- (4) If a person is covered by two or more plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the primary plan's negotiated fees for a specific benefit is **not** an allowable expense.

If a person is covered by one plan that computes its benefits or services on the basis of reasonable and customary charges and another plan that provides its benefits or services on the basis of negotiated fees, the primary plan's payment arrangements will be the allowable expense for all plans. However, if the provider has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the allowable expense used by the secondary plan to determine its benefit.

**Claim** This term means a request that benefits of a plan be provided or paid.

**Claim Determination Period** This term means a calendar year. It does not include any part of a year during which a person has no coverage under this plan, or before the date this section takes effect.

**Coordination Of Benefits** This term means a provision which determines an order in which plans pay their benefits, and which permits secondary plans to reduce their benefits so that the combined benefits of all plans do not exceed total allowable expenses.

**Custodial Parent** This term means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.

**Plan** This term means any of the following that provides benefits or services for health care or treatment: (1) group, blanket or franchise insurance coverage; (2) service plan contracts, group practice, individual practice and other prepayment coverage; (3) any coverage under labor-management trusteed plans, union welfare plans, employer organization plans, or employee benefit organization plans; and (4) governmental benefits, except Medicare, as permitted by law.

This term does not include: (a) individual or family insurance; (b) individual or family subscriber contracts; (c) school-type blanket accident and sickness insurance; (d) blanket accident insurance that is excess to other coverage; (e) medical benefit payments in traditional automobile contracts; or (f) Medicare, Medicaid, and coverage under other governmental plans, unless permitted by law.

This term also does not include any plan that this plan supplements. Plans that this plan supplements are named in the benefit description.

Each type of coverage listed above is treated separately. If a plan has two parts and coordination of benefits applies only to one of the two, each of the parts is treated separately.

**Primary Plan** This term means a plan that pays first without regard that another plan may cover some expenses. A plan is a primary plan if either of the following is true: (1) the plan either has no order of benefit determination rules, or its rules differ from those explained in this section; or (2) all plans that cover the person use the order of benefit determination rules explained in this section, and under those rules the plan pays its benefits first.

**Secondary Plan** This term means a plan that is not a primary plan.

**This Plan** This term means the group health benefits, except prescription drug and vision coverage, if any, provided under this group plan.

### Order Of Benefit Determination

The primary plan pays or provides its benefits as if the secondary plan or plans did not exist.

A plan may consider the benefits paid or provided by another plan to determine its benefits only when it is secondary to that other plan. If a person is covered by more than one secondary plan, the rules explained below decide the order in which secondary plan benefits are determined in relation to each other.

A plan that does not contain a coordination of benefits provision is always primary.

When all plans have coordination of benefits provisions, the rules to determine the order of payment are listed below. The first of the rules that applies is the rule to use.

**Non-Dependent Or Dependent** The plan that covers the person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is primary. The plan that covers the person as a dependent is secondary.

But, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan that covers the person as a dependent; and primary to the plan that covers the person other than as a dependent (for example, as a retiree); then the order of payment between the two plans is reversed. In that case, the plan that covers the person as an employee, member, subscriber, or retiree is secondary and the other plan is primary.

**Child Covered Under More Than One Plan** The order of benefit determination when a child is covered by more than one plan is:

- (1) If the parents are married, or are not separated (whether or not they ever have been married), or a court decree awards joint custody without specifying that one party must provide health care coverage, the plan of the parent whose birthday is earlier in the year is primary. If both parents have the same birthday, the plan that covered either of the parents longer is primary. If a plan does not have this birthday rule, then that plan's coordination of benefits provision will determine which plan is primary.
- (2) If the specific terms of a court decree state that one of the parents must provide health care coverage and the plan of the parent has actual knowledge of those terms, that plan is primary. This rule applies to claim determination periods that start after the plan is given notice of the court decree.

## Order Of Benefit Determination (Cont.)

---

- (3) In the absence of a court decree, if the parents are not married, or are separated (whether or not they ever have been married), or are divorced, the order of benefit determination is: (a) the plan of the custodial parent; (b) the plan of the spouse of the custodial parent; (c) the plan of the noncustodial parent; and (d) the plan of the spouse of the noncustodial parent.

**Active Or Inactive Employee** The plan that covers a person as an active employee, or as that person's dependent, is primary. An active employee is one who is neither laid off nor retired. The plan that covers a person as a laid off or retired employee, or as that person's dependent, is secondary. If a plan does not have this rule and as a result the plans do not agree on the order of benefit determination, this rule is ignored.

**Continuation Coverage** The plan that covers a person as an active employee, member, subscriber, or retired employee, or as that person's dependent, is primary. The plan that covers a person under a right of continuation provided by federal or state law is secondary. If a plan does not have this rule and as a result the plans do not agree on the order of benefit determination, this rule is ignored.

**Length Of Coverage** The plan that covered the person longer is primary.

**Other** If the above rules do not determine the primary plan, the allowable expenses will be shared equally between the plans that meet the definition of plan under this section. But, this plan will not pay more than it would have had it been the primary plan.

## Effect On The Benefits Of This Plan

---

**When This Plan Is Primary** When this plan is primary, its benefits are determined before those of any other plan and without considering any other plan's benefits.

**When This Plan Is Secondary** When this plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all plans during a claim determination period are not more than 100% of total allowable expenses. When the benefits of this plan are reduced, each benefit is reduced in proportion. It is then charged against the applicable benefit limit of this plan.

## Right To Receive And Release Needed Information

---

Certain facts about health care coverage and services are needed to apply these rules and to determine benefits payable under this plan and other plans. This plan may get the facts it needs from, or give them to, other organizations or persons to apply these rules and determine benefits payable under this plan and other plans which cover the person claiming benefits. This plan need not tell, or get the consent of, any person to do this. Each person claiming benefits under this plan must provide any facts it needs to apply these rules and determine benefits payable.

---

## **Facility Of Payment**

A payment made under another plan may include an amount that should have been paid by this plan. If it does, this plan may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid by this plan. This plan will not have to pay that amount again.

As used here, the term "payment made" includes the reasonable cash value of any benefits provided in the form of services.

---

## **Right Of Recovery**

If the amount of the payments made by this plan is more than it should have paid under this section, it may recover the excess: (a) from one or more of the persons it has paid or for whom it has paid; or (b) from any other person or organization that may be responsible for benefits or services provided for the covered person.

As used here, the term "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

## STATEMENT OF ERISA RIGHTS

---

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

### **Receive Information About Your Plan and Benefits**

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

### **Continue Group Health Plan Coverage**

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. You should review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

### **Prudent Actions By Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **Enforcement Of Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

## Statement of Erisa Rights (Cont.)

---

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

### **Assistance with Questions**

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### **Qualified Medical Child Support Order**

Federal law requires that group health plans provide medical care coverage of a dependent child pursuant to a qualified medical child support order (QMCSO). A "qualified medical child support order" is a judgment or decree issued by a state court that requires a group medical plan to provide coverage to the named dependent child(ren) of an employee pursuant to a state domestic relations order. For the order to be qualified it must include:

- The name of the group health plan to which it applies.
- The name and last known address of the employee and the child(ren).
- A reasonable description of the type of coverage or benefits to be provided by the plan to the child(ren).
- The time period to which the order applies.

A dependent enrolled due to a QMCSO will not be considered a late enrollee in the plan.

Note: A QMCSO cannot require a group health plan to provide any type or form of benefit or option not otherwise available under the plan except to the extent necessary to meet medical child support laws described in Section 90 of the Social Security Act.

If you have questions about this statement, see the plan administrator.

## Disability And Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the *plan* with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA")

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit. A failure to cover an item or

service: (a) due to the application of any utilization review; or (b) because the item or service is determined to be experimental or investigational, or not medically necessary or appropriate, is also considered an adverse determination.

"Group Health Benefits" means any dental, out-of-network point-of-service medical, major medical, vision care or prescription drug coverages which are a part of this plan.

"Pre-service claim" means a claim for a medical care benefit with respect to which the plan conditions receipt of the benefit, in whole or in part, on approval of the benefit in advance of receipt of care.

"Post-service claim" means a claim for payment for medical care that already has been provided.

"Urgent care claim" means a claim for medical care or treatment where making a non- urgent care decision: (a) could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function, as determined by an individual acting on behalf of the plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine; or (b) in the opinion of a physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care.

Note: Any claim that a physician with knowledge of the claimant's medical condition determines is a claim involving urgent care will be treated as an urgent care claim for purposes of this section.

**Timing For Initial Benefit Determination** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

### Disability Benefits

## **Disability And Group Health Benefits Claims Procedure (Cont.)**

---

Guardian will provide a benefit determination not later than 45 days after the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 45 days after receipt of the claim.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

### **Group Health Benefits**

**Urgent Care Claims.** Guardian will make a benefit determination within 72 hours after receipt of an urgent care claim.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 24 hours after receipt of the claim. The claimant will be given not less than 48 hours to provide the specified information.

Guardian will notify the claimant of the benefit determination as soon as possible but not later than the earlier of:

- the date the requested information is received; or
- the end of the period given to the claimant to provide the specified additional information.

The required notice may be provided to the claimant orally within the required time frame provided that a written or electronic notification is furnished to the claimant not later than 3 days after the oral notification.

## **Disability And Group Health Benefits Claims Procedure (Cont.)**

---

**Pre-Service Claims.** Guardian will provide a benefit determination not later than 15 days after receipt of a pre-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 5 days after receipt of the claim. A notification of a failure to follow proper procedures for pre-service claims may be oral, unless a written notification is requested by the claimant.

The time period for providing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 15-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Post-Service Claims.** Guardian will provide a benefit determination not later than 30 days after receipt of a post- service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Concurrent Care Decisions.** A reduction or termination of an approved ongoing course of treatment (other than by plan amendment or termination) will be regarded as an adverse benefit determination. This is true whether the treatment is to be provided (a) over a period of time; (b) for a certain number of treatments; or (c) without a finite end date. Guardian will notify a claimant at a time sufficiently in advance of the reduction or termination to allow the claimant to appeal.

In the case of a request by a claimant to extend an ongoing course of treatment involving urgent care, Guardian will make a benefit determination as soon as possible but no later than 24 hours after receipt of the claim.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;
- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
